

The background of the entire image is a dense collection of old, leather-bound books on shelves. The spines of the books are visible, showing various colors like brown, blue, and gold. In the center, a two-story yellow house with a red door and white-framed windows is cut out of the bookshelf, appearing as if it's a hidden treasure. Green ivy leaves with yellow variegation are climbing up the sides of the bookshelf, framing the central elements.

The Lost Way English Edition:

Star-Spawned Mark Howard Jones, 2022-03-29 In these twenty tales of the weird and twisted you will visit temples dedicated to the worship of dark gods spawned under the diseased light of long dead stars find yourself lost in damned places where truth and sanity vanish like mist in sunlight meet strangers who make you pray that all you think you know is wrong and discover that love is really just another gateway to unending despair You may even find confirmation of the dreadful fact that you are what you always feared you might be Stories included in this collection Beneath Black Spires Put on the Mask The Turn of the Tide The Cobwebbed Bird House The Last Ones Sunday Early Evening Ecstasy Taking the Cure The Rolling of Old Thunder Red Walls Out of Stock Finest Garments Repaired In the Deeps of Dream By a Scarlet Thread Side 1 Track 3 Treading the Lost Path Descending Aklo Songs A Meeting Beneath the Moon For the Love of Insects Late Night Caradoc Street The Sixth Guardian Doorgrave to the Bittersea *Time Travel in Popular Media* Matthew Jones, Joan Ormrod, 2015-03-27 In recent years numerous films television series comic books graphic novels and video games have featured time travel narratives with characters jumping backward forward and laterally through time No rules govern time travel in these stories Some characters move by machine some by magic others by unexplained means Sometime travelers can alter the timeline while others are prevented from causing temporal aberrations The fluid forms of imagined time travel have fascinated audiences and prompted debate since at least the 19th century What is behind our fascination with time travel What does it mean to be out of one's own era How do different media tell these stories and what does this reveal about the media's relationship to time This collection of new essays the first to address time travel across a range of media answers these questions by locating time travel narratives within their cultural historical and philosophical contexts Texts discussed include Doctor Who The Terminator The Georgian House Save the Date Back to the Future Inception Source Code and others

American Poetry as Transactional Art Stephen Fredman, 2020-06-02 Explores the ways American poetry engages with visual art music fiction spirituality and performance art Many people think of poetry as a hermetic art as though poets wrote only about themselves or as if the subject of poetry were finally only poetry its forms and traditions Indeed much of what constitutes poetry in the lyric tradition depends on a stringently controlled point of view and aims for a timeless intransitive utterance Stephen Fredman's study proposes a different perspective American Poetry as Transactional Art explores a salient quality of much avant garde American poetry that has so far lacked sustained treatment namely its role as a transactional art Specifically Fredman describes this role as the ways it consistently engages in conversation talk correspondence going beyond the scope of its own subjects and forms its existential interactions with the outside world Poetry operating in this vein draws together images ideas practices rituals and verbal techniques from around the globe and across time not to equate them but to establish dialogue to invite as many guests as possible to the World Party which Robert Duncan has called the symposium of the whole Fredman invites new readers into contemporary poetry by providing lucid and nuanced analyses of

specific poems and specific interchanges between poets and their surroundings He explores such topics as poetry's transactions with spiritual traditions and practices over the course of the twentieth century the impact of World War II on the poetry of Charles Olson and George Oppen exchanges between poetry and other art forms including sculpture performance art and ambient music the battle between poetry and prose in the early work of Paul Auster and in Lyn Hejinian's *My Life* The epilogue looks briefly at another crucial transactional occasion teaching American poetry in the classroom in a way that demonstrates that it is at the center of the arts and at the heart of American culture

The Ideal of Kingship in the Writings of Charles Williams, C.S. Lewis and J.R.R. Tolkien Christopher Scarf, 2013-06-27 In his distinctive work Christopher Scarf explores the writings of the three most prominent Oxford Inklings Charles Williams 1886-1945 C.S. Lewis 1898-1963 and J.R.R. Tolkien 1892-1973 to reveal and contrast their conceptions of the ideal of kingship divine human and mythological As practising Christians the faith of all three writers was central to their literary and personal visions of kingship society love beauty justice and power Scarf investigates their belief in God as Creator and heavenly King opinions on the nature of His very being and the way in which all believed the Creator to be unique rather than one among many The relationship between the earthly and heavenly King is considered as well as the extent to which the writers contend that earthly kings are God's viceregents act with His authority and are duty bound to establish and sustain just and joyous societies Examining the writings of all three men in detail Scarf also highlights the covert evidence of their lives and personalities which may be discovered in their texts An understanding of the authors' individual but overlapping views of the essential meaning of Kingship and their personalities and early lives will enrich the reader's appreciation of their created worlds This volume provides a unique focus on Kingship and the Christian beliefs of three well-loved writers and will be of interest to any reader seeking a fuller understanding of the individuals and their works

Death and Bereavement Across Cultures Colin Murray Parkes, Pittu Laungani, William Young, 2015-06-05 All societies have their own customs and beliefs surrounding death In the West traditional ways of mourning are disappearing and although Western science has had a major impact on how people die it has taught us little about the way to die or to grieve Many whose work brings them into contact with the dying and the bereaved from Western and other cultures are at a loss to know how to offer appropriate and sensitive support *Death and Bereavement Across Cultures* 2nd Edition is a handbook which meets the needs of doctors nurses social workers hospital chaplains counsellors and volunteers caring for patients with life-threatening illness and their families before and after bereavement It is a practical guide explaining the religious and other differences commonly met with in multi-cultural societies when someone is dying or bereaved In doing so readers may be surprised to find how much we can learn from other cultures about our own attitudes and assumptions about death Written by international experts in the field the book describes the rituals and beliefs of major world religions Explains their psychological and historical context Shows how customs are changed by contact with the West Considers the implications for the future The second edition includes new

chapters that explore how members of the health care professions perform roles formerly conducted by priests and shamans can cross the cultural gaps between different cultures and religions consider the relevance of attitudes and assumptions about death for our understanding of religious and nationalist extremism and its consequences discuss the Buddhist Islamic and Christian ways of death Death raises questions which science cannot answer Whatever our personal beliefs we can all gain from learning how others view these ultimate problems This book explores the richness of mourning traditions around the world with the aim of increasing the sensitivity and understanding which we all bring to the issue of death and bereavement

New Creation Realities E. W. Kenyon, 2025-07-15 Christianity has revealed the secret that psychologists have long sought the inward soul the re created spirit the focus of God's great redemptive work on earth The four Gospels give us a wonderful picture of the lonely man of Galilee the humble Messiah who ends His earthly walk on Calvary But Paul's Epistles give us the risen triumphant One the conqueror of death sin and Satan He provides the revelation of what happened on the cross and in the tomb and how that affects who and what we are in Christ today Legendary Bible teacher E W Kenyon delves deeply into Paul's teaching to give us a living picture of the entire substitutionary work of Christ which made possible the new creation a new race of men and women who can stand in God's presence without a sense of guilt condemnation or inferiority

A Master Is Born Evan Bollinger, 2020-10-03 The Seam between this world and the next just ripped A mysterious and ferocious blight has been unleashed upon Prim Ordal rapidly transforming living things everywhere into deathly perversions of themselves As the darkness unfolds Roscoe Coats a hunter without a past seeks the impossible A power A mastery foretold by legend and forgotten by man Now coveted by a legion undead and surrounded by powerful magites Roscoe must face the quest of his life In a world where magic is despised and destroyed he might just harbor the rarest of all The clock is ticking The blight is spreading and everywhere the magites go the shadows seem to follow Can the young Master rise before the Nether consumes Or are some gifts too good to be true

The Origin of Modern Shinto in Japan Yijiang Zhong, 2016-10-06 Yijiang Zhong analyses the formation of Shinto as a complex and diverse religious tradition in early modern and Meiji Japan 1600-1868 Highlighting the role of the god Okuninushi and the mythology centered on the Izumo Shrine in western Japan as part of this process he shows how and why this god came to be ignored in State Shinto in the modern period In doing so Zhong moves away from the traditional understanding of Shinto history as something completely internal to the nation of Japan and instead situates the formation of Shinto within a larger geopolitical context involving intellectual and political developments in the East Asian region and the role of western colonial expansion The Origin of Modern Shinto in Japan draws extensively on primary source materials in Japan many of which were only made available to the public less than a decade ago and have not yet been studied Source materials analysed include shrine records and object materials contemporary written texts official materials from the national and provincial levels and a broad range of visual sources based on contemporary prints drawings photographs and material culture

Recovering

Communion in a Violent World Christopher Grundy, 2019-11-15 The act of breaking and eating a body in Holy Communion forms us over time What if that is not such a good thing Recovering Communion in a Violent World provides an unblinking examination of the ritualized reenactment of the violence done to Jesus in Holy Communion using insights from the fields of ritual studies and trauma theory Then drawing upon recent research in Christian origins the book raises possibilities for sacramental meal practices that don't ignore the death of Jesus but respond to it differently Rather than colluding with systems of violence these alternative practices respond to violence in our world by continuing to collaborate with the persistence and resilience of God as well as with the realm of God still coming near The result is a groundbreaking exploration that is both unflinching in its critique and passionate in its argument for the place of renewed Christian meal practices In an era when world religions have come under greater scrutiny as sources of violence this book asks readers to look squarely at the reenactment of violence that has come to narrowly define Holy Communion for so long and to imagine that more radical resistant sacramental meal practices are possible

The Poetry and Poetics of Michael Heller Jon

Curley, Burt Kimmelman, 2015-07-01 The Poetry and Poetics of Michael Heller A Nomad Memory is the first comprehensive treatment of a singularly important American poet of the twentieth and twenty first centuries Michael Heller b 1937 has amassed a body of poetry and criticism that places him in the vanguard of modern literature and this essay collection provides the first extensive critical treatment of his varied career This book's multifaceted appraisal of his engagement with poetry as well as crucial ideas across various traditions establishes him as a preeminent writer among his contemporaries and younger generations and as a major poet in any era

Assmann, 2011-11-14 This book provides an introduction to the concept of cultural memory offering a comprehensive overview of its history forms and functions

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This

four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of Religion and American Cultures Tradition Diversity and Popular Expression presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe in a higher power the fastest growing identity in the United States is the none those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and

Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

[The Idea of Communism 3](#) Alex Taek-Gwang Lee, Slavoj Zizek, 2016-07-05 An all star cast of radical intellectuals discuss the continued importance of communist principles In 2009 Slavoj i ek brought together an acclaimed group of intellectuals to discuss the continued relevance of communism Unexpectedly the conference attracted an audience of over 1 000 people The discussion has continued across the world and this book gathers responses from the conference in Seoul It includes the interventions of regular contributors Alain Badiou and Slavoj i ek as well as work from across Asia notably from Chinese scholar Wang Hui offering regional perspectives on communism in an era of global economic crisis and political upheaval

[The Courage of Hopelessness](#) Slavoj Zizek, 2018-02-06 Maverick philosopher Slavoj Zizek returns to explore today s ideological political and economic battles and asks whether radical change is possible In these troubled times even the most pessimistic diagnosis of our future ends with an uplifting hint that things might not be as

bad as all that that there is light at the end of the tunnel Yet argues Slavoj Zizek it is only when we have admitted to ourselves that our situation is completely hopeless that the light at the end of the tunnel is in fact the headlight of a train that fundamental change can be brought about Surveying the various challenges in the world today from mass migration and geopolitical tensions to terrorism the explosion of rightist populism and the emergence of new radical politics all of which in their own way express the impasses of global capitalism Zizek explores whether there still remains the possibility for genuine change Today he proposes the only true question is or should be this do we endorse the predominant acceptance of capitalism as fact of human nature or does today s capitalism contain strong enough antagonisms to prevent its infinite reproduction Can we he asks move beyond the failure of socialism and beyond the current wave of populist rage and initiate radical change before the train hits Zizek leaves no social or cultural phenomenon untheorized and is master of the counterintuitive observation The New Yorker Thinking Through Creativity and Culture Vlad Petre Glaveanu,2017-07-28 Creativity and culture are inherently linked Society and culture are part and parcel of creativity s process outcome and subjective experience Equally creativity does not reside in the individual independent of culture and society Vlad Petre Glveanu s basic framework includes creators and community from which new artifacts emerge and existing artifacts are developed He points to a relationship between self and other new and old specific for every creative act Using this multifaceted system requires that researchers employ ecological research in order to capture the heterogeneity and social dimensions of creativity Glveanu uses an approach based on cultural psychology to present creativity in lay terms and within everyday settings He concludes with a unitary cultural framework of creativity interrelating actors audiences actions artifacts and affordances **The Hidden Treasure of Glaston** Eleanore M Jewett,2000-05-01 Amidst great mystery Hugh is left in the care of Glastonbury Abbey by his father who must flee England too swiftly to be burdened by a crippled son Ashamed of his physical weakness yet possessed of a stout heart Hugh finds that life at the abbey is surprisingly full in this year 1171 in the turbulent days of King Henry II Hugh his friend Dickon and their strange friend the mad Bleheris uncover a treasure trove and with it a deeper mystery of the sort that could only occur in Glastonbury where Joseph of Arimithea was said to have lived out his last years Before all is done more is resolved than Hugh could ever have hoped A Newbery Honor winner Illustrated by Frederick Chapman Yuga Marty Glass,2001 YUGA describes five falls the Fall into Time the Reign of Quantity the Mutation into Machinery the End of Nature and the Prison of Unreality Taken together these comprise the fate of historical humanity and are the author is convinced one way trips And the urban industrial vehicular commercial technological pharmaceutical electronic information spectator secular society they have produced has ripped the human world to shreds The book is hard hitting but readers who find it disturbing overlook the invincible beatitude that undergirds its every line When we awaken from our modern nightmare as sooner or later we all shall this book will help us remember what that nightmare was In YUGA the perennial wisdom has found a new and clarion voice Glass s poetic and novelistic

vocabulary combined with exhaustive and blithely eclectic research the mind boggling diversity of his sources and references even the peculiar Table of Contents is a radical departure Equally at home with the Diamond Sutra and the Grundrisse of Karl Marx while being a careful student of magazine displays at the checkout counters of supermarkets the author cheerfully presents his book as a provocation rather than as argument But the master achievement of YUGA which lies neither in its argument nor its style is its voice That voice speaks so palpably from the author's heart that we find it resonating in our hearts as well The final pages of YUGA are celebrations of joy and love and the discerning reader will detect those qualities lurking between the lines of the book's every page For remember Marty Glass is a spokesman for the truth that underlies all the world's wisdom traditions Behind the world of appearances samsara maya and the shadows on Plato's cave stands the uncreated Light Reality which is eternal Bliss This reality speaks to individuals in the darkest of times and its grace never falters No one need be completely captive to history's downward trajectory Its dream unfolds and we can actually love that dream if we are awake to the fact that it is we ourselves that are collectively the immortal Dreamer The message of YUGA is the message of Tradition the Sophia Perennis Huston Smith author of The World's Religions etc For those seriously concerned with the plight of present day humanity and the unprecedented crises through which human society is passing this book offers many profound insights It can offer guidelines and openings onto the understanding of the traditional world and that perennial wisdom whose loss has brought about the present age of spiritual darkness Seyyed Hossein Nasr author of Knowledge and the Sacred etc

A Very Royal Plot j p ronan,2018-12-16 Since the time of Able and Cain one has contrived to undo the other for gain The royal realms of Europe were no exception The more power the ruler the more grand the plot of intrigue The greater the number of conspirators the more complicated and murderous is the conspiracy Here the modern day Windsor Rule of England is to be changed by overthrow The collusion of members of other royal houses is under foot Huge sums of cash must be moved into the hands of pertinent collaborators In London a retired military analyst discovers the rebellion and acts on his own to thwart the villainy and save England's Monarchy Simultaneously a New York City financial advisor stumbles on to the shadow banking which is intended to support the insurgence in England With the aid of the United Nations this monetary plot is undone

Chicago Noir Neal Pollack,2005-09-01 If ever a city was made to be the home of noir it's Chicago These writers go straight to Chicago's noir heart Aleksandar Hemon National Book Award finalist and New York Times bestselling author of The Lazarus Project Chicago's rough and tumble tough guy reputation may have been replaced in recent years by the image of a tourist and family friendly town but that original city isn't gone The hard bitten streets once represented by James Farrell and Nelson Algren may have shifted locales and they may be populated by different ethnicities but Chicago is still a place where people struggle to survive and where for many crime is the only means for their survival The stories in Chicago Noir reclaim that territory in tales of hired killers and jazz men drunks and dreamers corrupt cops and ticket scalpers and junkies of a place where hard cases face their sad fates and pay for their sins in blood
