The Loves Of Lord Granton Royal Series 18:

The Loves of Lord Granton M.C. Beaton,2013-12-05 As the youngest of four unmarried vicar s daughters Frederica feared her destiny was to die of boredom in the sleepy village of Barton Sub Edge Her looks were deemed unfortunate and her willful manner labeled her difficult She never dreamt the arrival of a stranger would be a twist to her fate But Frederica and the wordily gentleman from the city Lord Granton had something in common boredom So it was that the two formed a secret friendship Frederica lived vicariously through his many tales of adventure while he found a delightful respite from the simpering females thrown his way When had their summer idyll turned so simply to love When had a country miss become such a breathtaking lady And what the devil was a certified rogue who was much too old for her going to do about it
