The Loving Dominant:

The Loving Dominant John Warren, 2000 John Warren known as Mentor to the many who have read his books or hearkened to his sage advice at his workshops and gatherings brought his decades of BDSM experience to his classic manual *The Loving Dominant* Out of print for several years this classic is now available once again now in a revised and updated second edition in a quality trade binding From its advice on Stalking the Wild Submissive to its extensive Resource Guide *The Loving Dominant* offers perhaps the greatest breadth of subject of any basic BDSM guide available today including some basic toymaking patterns and an entire chapter on BDSM photography **Connecting and Reading** Berko, 1998

Becoming a Kink Aware Therapist Caroline Shahbaz, Peter Chirinos, 2016-10-04 As a result of recent media interest the practice of BDSM has become more mainstream yet remains marginalized Now more than ever greater numbers of heterosexual and LGBTQ couples are starting to explore some form of BDSM However profound misunderstandings continue leading to unintentional physical and psychological harm Drawing on current research and ethnographic narratives from the kink community this book seeks to provide psychotherapists with an introductory understanding of the culture and practice of BDSM and presents specific therapeutic concerns related to common misconceptions This book strives to de pathologize BDSM practices while also providing concrete ways to distinguish abuse from consent harmful codependency and more Packed with practical suggestions and rich case studies this book belongs on the shelf of every therapist seeing BDSM and kink clients *The Menagerie* J.P. Caruso, 2025-05-13 Rowan Campbell loves his life finally He s happy He s happy but there s something missing Some itch under his skin he can t quite scratch through his work as a paramedic or hobbies or family gatherings or casual hookups alone Then one day he responds to a 9 1 1 call at an exclusive BDSM club the *Menagerie* and immediately splurges on a membership He isn t expecting much until he meets the notoriously hard to please club veteran Malcolm Savaryn Mal is a firecracker of a man Sharp and witty with a take no shit attitude he fascinates Rowan from the start Rowan has a big secret he s afraid to share and Mal has walls that seem impenetrable Both men have dark pasts and mental health struggles have marred them leaving them wary of relationships Their chemistry is immediate and unmatched though and they quickly enter into a steamy Dom sub relationship meeting weekly at the club It s just sex right But can they keep things strictly sexual or will one or both of them develop feelings along the way And if so will they find the courage to admit them and risk their hearts *The Menagerie* is a compelling exploration of BDSM trust and the slow evolution of friendship and love between two complex characters *The Phantom God* John C. Wathey, 2022-10-15 Does neuroscience have anything to say about religious belief or the existence of God Some have tried to answer this question but in doing so most have strayed from the scientific method In *The Phantom God* computational biologist and neuroscientist John C Wathey Ph D tackles this problem head on exploring religious feelings not as the direct perception by the brain of some supernatural realm nor as the pathological misfiring of neurons but as a natural consequence of how our brains are wired Unlike other

neurobiological studies of religion and spirituality The Phantom God treats mysticism not as something uniquely human and possibly supernatural in origin but as a completely natural phenomenon that has behavioral and evolutionary roots that can be traced far back into our vertebrate ancestry Grounded in evolutionary and behavioral biology this highly original and compelling book takes the reader on a journey through the neural circuitry of crying innate knowledge reinforcement learning emotional bonding embodiment interpersonal perception and the ineffable feeling of certainty that characterizes faith Wathey argues that the feeling of God's presence is spawned by innate neural circuitry similar to the mechanism that compels an infant to cry out for its mother In an adult this circuitry can be activated under conditions that mimic the extreme desperation and helplessness of infancy generating the compelling illusion of the presence of a loving powerful and all knowing savior When seen from this perspective the illusion also appears remarkably like one that has long been familiar to neurologists the phantom limb of the amputee spawned by the expectation of the patient's brain that the missing limb should still be there Including a primer on the basic concepts and terminology of neuroscience The Phantom God details the neural mechanisms behind the illusions and emotions of spiritual experience **Part-Time Perverts** Lauren

Rosewarne,2011-04-19 This book offers an erudite yet highly accessible exploration of the presence of sexual perversion in popular culture and its manifestation in everyday life An interdisciplinary exploration of sexual perversion in everyday life Part Time Perverts Sex Pop Culture and Kink Management starts from the premise that for better or worse everyone is exposed to a continual barrage of representations of sexual perversion both subliminal and overt Our involvement Dr Lauren Rosewarne contends is universal but our management strategies cover a spectrum of behavioral possibilities from total repression to total immersion It is those strategies that she examines here Drawing on her own experience as well as on pop culture and a multidisciplinary mix of theory Rosewarne shifts the discussion of perversion away from the traditional psychological and psychiatric focus and instead explores it through a feminist lens as a social issue that affects everyone Her book examines representations of perversion from suppression to dabbling to full body immersion and proposes a classification for perversion management and charts the diverse strategies we use to manage and perhaps enjoy exposure

Connecting Roy M. Berko, Lawrence B. Rosenfeld, Larry A. Samovar, 1997 Using a competency based approach this text provides a complete overview of the research and theories of interpersonal communication This integrated approach stresses the development of communication competencies including skills understanding of the theory and research that contextualize the skills and make them relevant to learning and the motivation to put the skills into practice The inclusion of intercultural and gender material throughout the text makes CONNECTING relevant to the students daily communication **The World of Chaucer** Derek Brewer, 2000 First published in 1978 **Journal of a Loving Dominant** Jesse Coulter, 2015-06-06 A TRUE STORY of being set FREE Jesse Coulter has a secret even he doesn't know He's a Dominant But he's not into punishment or S M He's a Loving Dominant He's a spiritual loving single father with a sex life that his family would find

appalling Jesse's true story is about passion love spirit dominance submission and self discovery A chance encounter leads him to meet submissive Carrie who is yearning for release and he pushes beyond boundaries he never thought possible She surrenders to him in every way helping him to discover his dominant side becoming his submissive submitting to his every desire But as Jesse pushes her to explore further and falls in love in the process trust and spirit matters test their relationship to the breaking point
