A letter from the author Irene Radford

Welcome to the world where dragons are real and magic works

If you are new to the *Dragon Nimbus* pull up a chair and join us as we revel in tales that have touched my heart more than anything else I've written under any pen name

If you are returning after an absence I am very happy to have you back

This is a world that began with a Christmas gift of a blown glass dragon

The dragon sat proudly on the knick knack shelf for several months loved and admired reluctantly dusted and totally inert

Then one night at dinner my son remarked You know Mom I think dragons are born all dark like that little pewter dragon then they get more silvery as they grow up until they are as clear as glass

The dragon came to life for me

Out of that chance remark came first one book then three five seven and finally ten

I built a career on these books and loved every minute of the process

These characters still live in my mind many years after they jumped into their stories and dragged me along with them

Many thanks to DAW Books and my editor Sheila Gilbert for reviving *The Dragon Nimbus* a lucky thirteen years after they first debuted

With these omnibus volumes you can read about the dragons with crystal fur that directs your eye elsewhere yet defies you to look anywhere else

Wonderful

dragons full of wit and wisdom Magic abounds Magicians and mundanes alike learn about their world and special life lessons as they explore dragon lore past and present The books will be presented in the order in which they were written and the order that makes the most sense of the entwined tales So sit back and enjoy with me And may reading take you soaring with Dragons
