 Generation Y in Consumer and Labour Markets explores the role of people born in the late 1970s and 1980s as consumers
 and coworkers in an emerging post modernist society Having grown up in a branded society overcrowded with commercial
 messages and a never ending supply of choices and opportunities Generation Y not only influences consumption patterns
 they also bring their values to work life thus changing the attitudes towards the employee employer relationship and how
 work is being done Generation Y particularly see work as a venue of self realization and the boundaries between work and
 leisure time are becoming blurred thus the consumer and labor markets converge in some critical dimensions This book
 delves into the substantial research body on characteristics and behaviors of the Generation Y including their relation to
 other generations and the role of understanding generations in developing effective and attractive organizations It further
 outlines the experiences and best practice for attracting recruiting selling to and communicating with Generation Y based on
 the author s experiences from hundreds of organizations where he has been involved as a consultant offering the reader a
 better understanding of generations in marketing research and the impact of generations in employee employer relations
