The Irresistible Revolution Shane Claiborne, 2010-05 Living as an Ordinary Radical Many of us find ourselves caught somewhere between unbelieving activists and inactive believers We can write a check to feed starving children or hold signs in the streets and feel like we've made a difference without ever encountering the faces of the suffering masses In this book Shane Claiborne describes an authentic faith rooted in belief action and love inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world Shane's faith led him to dress the wounds of lepers with Mother Teresa visit families in Iraq amidst bombings and dump 10 000 in coins and bills on Wall Street to redistribute wealth Shane lives out this revolution each day in his local neighborhood an impoverished community in North Philadelphia by living among the homeless helping local kids with homework and practicing resurrection in the forgotten places of our world Shane's message will comfort the disturbed and disturb the comfortable but will also invite us into an irresistible revolution His is a vision for ordinary radicals ready to change the world with little acts of love *The Irresistible Revolution, Updated and Expanded* Shane Claiborne, 2016-01-05 Join Shane Claiborne as he invites you to rediscover the biblical practice of loving your neighbor using unconventional examples from his own life to stir up questions about the church and the world while challenging you to truly live out your faith In this updated and expanded edition of The Irresistible Revolution bestselling author and activist Shane Claiborne challenges us to remember that the Great Commission sends us into the world not just to make believers but to form disciples who know how to love the way God calls us to In The Irresistible Revolution Shane describes an authentic faith rooted in belief action and love inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world He asks and answers key questions like How can I sustain my faith and combat burnout Should Christians be involved in politics How does God want me to spend my life With new material throughout the book Shane adds new stories shares what his community looks like now and brings you fresh inspiration to live out this message in practical ways Come join the revolution Praise for The Irresistible Revolution Shane Claiborne is a living experiment evangelical zeal mixed with grassroots activism passion for Jesus mixed with prison time for feeding the poor This

is a rant for love aimed at cowards seeking courage Aiden Enns publisher Geez Magazine Written with endearing humor and astonishing courage The Irresistible Revolution describes a young man s embrace of uncompromising commitment to Jesus teachings Kathy Kelly author cofounder of Voices in the Wilderness **Red Letter Revolution** Shane Claiborne,Tony Campolo,2012 Expounds the ideas of Red Letter Christianity or following Jesus words exactly in order to live a better and more faithful life **The Scandal of Evangelicals and Homosexuality** Mark Vasey-Saunders,2016-03-09 English evangelicals give the appearance of being a community at war with each other and with the world around them The issue of homosexuality is one of the key battlegrounds How has this issue become so significant to evangelicals Why is it provoking such violent responses How is it changing evangelicals and what might this mean for the future This book examines the history of evangelical responses to the issue of homosexuality setting them in a wider historical and cultural context and drawing on the work of Rene Girard to argue that the issue of homosexuality has come to symbolise deeply held convictions within evangelicalism The conflict over the issue that is now becoming apparent within evangelicalism reveals deep divisions within the evangelical community that will have great significance for the future The Scandal of Evangelicals and Homosexuality offers an alternative perspective seeking not to present an answer to the ethical question but rather to examine the way the debate has become scandalised and consider the cost It offers a window into contemporary English evangelicalism and provides an important contribution to international and ecumenical debate *Divine Rebels* Deena Guzder,2011-05 In an effort to reclaim the fundamental principles of Christianity moving it away from religious right wing politics and towards the teachings of Jesus the American Christian activists profiled in this book agitate for a society free from racism patriarchy bigotry retribution ecocide torture poverty and militarism These activists view their faith as a personal commitment with public implications their world consists of people of religious faith protecting the weak and safeguarding the sacred Recounting social justice activists on the frontlines of the Christian Left since the 1950s including Daniel Berrigan Roy Bourgeois and SueZann Bosler this book articulates their faith based alternative to the mainstream conservative religious agenda and liberal cynicism and describes a long standing American tradition which began with the nation s earliest Quaker abolitionists Confessions of a Wanna-Be Megachurch Pastor: I was wrong about the Seeker-Sensitive Movement , Time Kills All Things Ethan Renoe,2019-10-15 Time kills all things but it also heals all things Somewhere in the midst of those two healing and dying is where this book lives There is healing in the process of dying We get sick we get better but we will inevitably one day die Millions are killed in a genocide but like a gash in your skin the world comes together to heal that wound There is pain and then forgiveness The world is a big place These essays are struggles to explore the way the world works and as a consequence how we should operate within it How do we heal others Ourselves How do we die well How does time make all things beautiful These pieces were written between 2012 2019 with a personal poetic energy which just might help you navigate your own way through this foggy terrarium we call earth

SERVE: Others First In a Me-First World Courtney Rees, 2013-09 What prompted the Samaritan man to pause Why did Jesus prefer Mary's actions over Martha's And the seventy-two anonymous recruits in Luke 10 who were they In our personal lives and as a church a life geared toward service is the best way to live So what does it look like to live a serve-oriented life How would the church shift its influence if it loved through action A life of service can be different When we are tired and our schedules are haggard and crazy It's hard to put others before ourselves And yet at the end of the day we question the big things like purpose and contentment We wonder How could this look different In SERVE we dive into Luke 10 and discover that Jesus was the advocate and voice of SERVE From watching Him we learn what it looks like to serve with excitement creativity excellence discipline vigor and yes even how to take rest stops along the way Join the journey and learn how to put others first in a me-first world Crisis Consciousness in Contemporary Philosophy András Gedő, 1982-12-31 No detailed description available for Crisis Consciousness in Contemporary Philosophy **All the Beautiful Things** Beth Doherty, 2020-03-01 Taking as its theme beauty from ashes the beautiful image from Isaiah 61:3 All the Beautiful Things Finding Truth Beauty and Goodness in a Fractured Church is written at a time when the Catholic Church and its people are reeling from years of scandal This book asks questions throughout and attempts to answer them based on the author's lived experience but it also engages a wide range of conversation partners These answers are the result of interviews surveys and conversations with people who love the Church but seek reform and renewal It is a cri de coeur a cry of the heart to try to reclaim what has been lost It is a taking up of a cross and walking on a journey paved with all manner of challenge In the end the author's hope is to help others to rediscover the truth beauty and goodness that still exist within Catholicism Radical Democracy and Political Theology Jeffrey W. Robbins, 2011 Democracy more or less Interlude managing democracy abroad Democracy radically conceived Political theology and the postsecular Interlude the Iranian Revolution redux Political theology beyond despair Political theologies or finding an alternative to Schmitt The theopolitics of democracy Interlude the messianic as a democratic political theology Conclusion from the one to the many **The Fullness of Time in a Flat World** Scott Waalkes, 2010-01-01 Best-selling author Thomas Friedman says that globalization has made the world flat and that we cannot stop the process But while it is right to say that globalization tends to flatten our world it is wrong to say that there are no alternatives to current patterns of economic ecological political and cultural integration This book argues that the Christian liturgical calendar provides a constructive alternative to the globalization of economics ecologies politics and cultures It does so by incorporating the church into the fullness of time in the gospel narrative thereby helping us escape from the dead end of Friedman's flat world so that we can improvise healthier ways of being globally integrated **The Hole in Our Gospel Special Edition** Richard Stearns, 2014-05-27 ECPA 2010 Christian Book of the Year Award Winner What Does God Expect of Us Is our faith only about going to church studying the Bible and avoiding the most serious sins or does God expect more Have we embraced the whole gospel or a gospel with a hole in it More than twenty years ago Rich

Stearns came face to face with that question as he sat in a mud hut in Rakai Uganda listening to the heartbreaking story of an orphaned child Stearns's journey there took much more than a long flight to Africa It took answering God's call on his life a call that tore him out of his corner office at one of America's most prestigious corporations to walk with the poorest of the poor in our world This anniversary edition of *The Hole in Our Gospel* features new content along with full color graphics on poverty statistics a guide for churches on short term missions and international engagement and an index of Scripture on poverty justice faith in action and more *The Hole in Our Gospel* changed people's lives and some of those personal accounts also appear in this anniversary edition Stearns's compelling story demonstrates that the whole gospel was always meant to be a world changing social revolution a revolution that begins with each one of us *The Hole in Our Gospel* is also available in Spanish Vac o en nuestro evangelio

Commodified Communion Antonio Eduardo Alonso, 2021-06-01 WINNER 2021 HTI BOOK PRIZE Resist This exhortation animates a remarkable range of theological reflection on consumer culture in the United States And for many theologians the source and summit of Christian cultural resistance is the Eucharist In *Commodified Communion* Antonio Eduardo Alonso calls into question this dominant mode of theological reflection on contemporary consumerism Reducing the work of theology to resistance and centering Christian hope in a Eucharist that might better support it he argues undermines our ability to talk about the activity of God within a consumer culture By reframing the question in terms of God's activity in and in spite of consumer culture this book offers a lived theological account of consumer culture that recognizes not only its deceptions but also traces of truth in its broken promises and fallen hopes

New Monasticism and the Transformation of American Evangelicalism Wes Markofski, 2015-07-01 In *New Monasticism and the Transformation of American Evangelicalism* Wes Markofski combines vivid ethnographic storytelling and incisive theoretical analysis to introduce readers to the fascinating and unexplored terrain of the burgeoning neo monastic evangelical movement

Distortion Chelsen Vicari, 2014-09-02 Can the evangelical church be saved Peek behind the curtain of some hip or progressive evangelical churches past the savvy trends and contemporary music and what you find may surprise you Liberal evangelicals despite how apolitical they claim to be are gaining ground promoting a repackaged version of Christianity that distorts the authority of Scripture and is causing a mass exodus of young people from the teachings of Jesus Christ In *Distortion* Chelsen Vicari confronts this move away from authentic Christianity and the principles that have made America great Arming you with Scripture historic Christian teaching and social science that specifically addresses the challenges confronting our country she covers topics such as Understanding the link between faith and policy Unmasking the social justice disguise Confronting the truth about homosexuality Unveiling the Jesus feminists Living out the truth with boldness and grace It is time to take a stand once again in the culture wars this time for the sake of our youth and our future To keep praying keep acting keep discerning truth keep upholding Scripture as authority and keep fighting on the battleground where Christianity and public policy collide This is a great challenge But it is one that every generation of

evangelicals must be willing to take on for Jesus Christ It is worth the battle America needs us The church needs you

Naked Faith Elaine A Heath, 2010-08-27 Phoebe Palmer's honour was lost posthumously for within a few decades after her death her name all but disappeared Palmer's sanctification theology was separated from its apophatic spiritual moorings even as her memory was lost To this day the Mother of the Holiness Movement still awaits her place of recognition as a Christian mystic equal to Catherine of Siena Teresa of Avila or Therese of Lisieux This book locates Palmer's life and thought within the great Christian mystical traditions identifying her importance within Methodism and the church universal It also presents a Wesleyan theological framework for understanding and valuing Christian mysticism while connecting it with the larger mystical traditions in Catholic Anglican and Orthodox communions While Palmer was a powerful revivalist in her own day in many ways she could be the patron saint for contemporary Methodists who are drawn to the new monasticism and who long for the renewal of the church Saint Phoebe is precisely the one who can help Methodists envision new forms of Christian community mission and witness in a postmodern world

Mandate Politics Lawrence J. Grossback, David A. M. Peterson, James A. Stimson, 2006-08-28 Whether or not voters consciously use their votes to send messages about their preferences for public policy the Washington community sometimes comes to believe that it has heard such a message In this 2006 book the authors ask What then happens They focus on these perceived mandates where they come from and how they alter the behaviors of members of Congress the media and voters These events are rare Only three elections in post war America 1964 1980 and 1994 were declared mandates by the media consensus These declarations however had a profound if ephemeral impact on members of Congress They altered the fundamental gridlock that prevents Congress from adopting major policy changes The responses by members of Congress to these three elections are responsible for many of the defining policies of this era Despite their infrequency then mandates are important to the face of public policy
