Albrecht Classen

The Janissaries Elite 58:

Armies of the Ottoman Empire 1775-1820 David Nicolle, 2024-11-07 At the close of the 18th century the Ottoman Empire still had huge military potential. It was a complex structure of military provinces, autonomous regions and virtually independent regencies. The Ottoman Empire had a larger population than its land could actually support, which resulted in bloated cities, migration to underpopulated mountainous areas, widespread banditry and piracy. It also meant that Ottoman armies had a ready pool of military manpower. With numerous illustrations including eight stunning full-page colour artworks by Angus McBride, this fascinating text by David Nicolle explores the armies of the Ottoman Empire from 1775 until 1820.

Lepanto 1571 Nic Fields, 2021-05-04 A military historian's enlightening reassessment of the famous 16th-century naval battle between the Ottoman Empire and Pope Pius V's Holy League. The battle of Lepanto has long been considered one of the decisive naval battles of history. Yet the savage fighting on October 7th 1571 left the strategic map unchanged. The defeated Ottoman Turks were able to replace their losses and launch a new fleet the following year. In *Lepanto 1571*, historian Nic Fields reexamines the battle and concludes that its importance was psychological. It sank the perception of Ottoman dominance and the inevitability of Islam's westward encroachment beyond the Balkans. With over 200 ships per side, it was the largest naval battle in sixteen centuries and the last major fight between fleets composed entirely of the muscle-driven galley. These slender ships were the direct descendants of the Classical trireme but carried cannon and marines bearing firearms, although massed archery and cold steel still played a major role on the fateful day. Nic Fields gives an excellent account of this fascinating and spectacular battle.

The Pasha's Tale S.J.A. Turney, 2017-07-17 Plots, murder and a return to Istanbul form an epic conclusion to S.J.A. Turney's Ottoman Cycle. Five years since *Skiouros* left the city of Constantine, he has come to understand the dreadful price exacted by vengeance. Saved from the French authorities by Dragi, the Romani crewman of a Turkish galley, he and his friend Parmenio are once again bound for the east. But Dragi's aid comes with a price. In the Ottoman capital, the populace prepares for a great festival for the first time in years; the Sultan's three sons are all to be present. But a sect of disenfranchised Romani are plotting a deadly coup. Can *Skiouros* thwart the mysterious Kingbreaker and save the Sultan's sons? The sequence of events that shattered *Skiouros*'s life is finally coming to an end. This is the brilliant and unputdownable conclusion to bestseller S.J.A. Turney's Ottoman Cycle and is perfect for readers of Ben Kane, Peter Darman and Matt Harff.

God's City Nic Fields, 2017-07-30 Byzantium: Was it Greek or Roman, familiar or hybrid, barbaric or civilized, Oriental or Western? In the late eleventh century, Constantinople was the largest and wealthiest city in Christendom, the seat of the Byzantine emperor, Christ's vice-regent on earth and the center of a predominately Christian empire steeped in Greek cultural and artistic influences, yet founded and maintained by a Roman legal and administrative system. Despite the amalgam of Greek and Roman influences, however, its language and culture was definitely Greek. Constantinople truly was the capital of the Roman empire in the East and from its founding under the first Constantine to its

fall under the eleventh and last Constantinus the inhabitants always called themselves Romaioi Romans not Hellniks Greeks Over its millennium long history the empire and its capital experienced many vicissitudes that included several periods of waxing and waning and more than one golden age Its political will to survive is still eloquently proclaimed in the monumental double land walls of Constantinople the greatest city fortifications ever built on which the forces of barbarism dashed themselves for a thousand years Indeed Byzantium was one of the longest lasting social organizations in history Very much part of this success story was the legendary Varangian Guard the lite body of axe bearing Northmen sworn to remain loyal to the true Christian emperor of the Romans There was no hope for an empire that had lost the will to prosecute the grand and awful business of adventure The Byzantine empire was certainly not of that stamp *The Barbary Pirates 15th-17th Centuries* Angus Konstam,2016-08-25 For the best part of three centuries the corsairs or pirates from the Barbary coasts of North Africa dominated the Western and Central Mediterranean They made forays far into the Atlantic preying on the shipping and coastal settlements across Christian Europe ranging from Greece to West Africa and the British Isles In the absence of organized European navies they seldom faced serious opposition and the scope of their raiding was remarkable As well as piracy and slave raiding they fought as privateers sharing their spoils with the rulers of the port cities that provided them with ships men and a ready market This book examines their development and their style of fighting chronicles their achievements and failures and illustrates their appearance and that of their ships explaining why they were so feared and effective **A Brief History of Vampires** M.J. Trow,2013-02-07 A historical journey in pursuit of the history legend and lore of vampires Where do they come from Why do they have so much appeal today As Twilight hits the book charts and billboards and True Blood is on TV there are vampires in downtown clubs and never has it been more fashionable to be pale M J Trow looks at the story of vampires and charts its origins a long way from the shopping mall in the story of the warrior prince Vlad of Wallachia [The Ottoman Cycle](#) S.J.A. Turney,2022-08-25 Adventure to the four corners of the Ottoman Empire Includes all four books in The Ottoman Cycle series The Thief s Tale The Priest s Tale The Assassin s Tale and The Pasha s Tale The Thief s Tale Istanbul 1481 The once great city of Constantine with a mix of Christians Turks and Jews now forms the heart of the Ottoman empire The conquest still a recent memory means emotions run high and danger is never far away Skiouros and Lykaion sons of a Greek farmer are conscripted into the infamous Janissary guards and taken to Istanbul As Skiouros escapes into the Greek quarter Lykaion remains with the slave chain becomes an Islamic convert and guards the Imperial palace But one fateful day Skiouros picks the wrong pocket and begins to unravel a plot reaching to the highest peaks of imperial power He and his brother are left with the most difficult decision faced by a conquered Greek is the rule of the Ottoman Sultan worth saving The Priest s Tale Crete 1492 After a sojourn on a Venetian controlled island Skiouros has learned everything he needs to know for his true quest destroying the person responsible for his brother s death Meanwhile across the Mediterranean a small fleet of Turkish galleys is engaged in a desperate last attempt to save Islamic influence on

the Iberian Peninsula While the great naval commander Kemal Reis battles to survive his subordinate yearns to murder every hint of Christian life When Skiouros ship crosses paths with the violent would be pirate things turn sour With his life at stake Skiouros must confront unpleasant truths about his past The Assassin s Tale Italy 1493 As the inquisition takes hold in Spain and the Vatican seethes under the rule of the Borgias Skiouros embarks on a mission to discover the truth about the death of the usurper sultan Cem Gathering old friends and new Skiouros travels the length of Italy in his quest for vengeance and the quieting of his brother s restless soul But on his dreadful quest he will face more than just physical danger For beneath all his strength does Skiouros have a heart black enough to commit murder in the name of revenge The Pasha s Tale It s been five years since Skiouros left the city of Constantine He has come to understand the dreadful price exacted by vengeance Saved from the French authorities by Dragi the Romani crewman of a Turkish galley he and his friend Parmenio are once again bound for the east But Dragi s aid comes with a price In the Ottoman capital the populace prepares for a great festival for the first time in years the Sultan s three sons are all to be present But a sect of disenfranchised Romani are plotting a deadly coup Can Skiouros thwart the mysterious Kingbreaker and save the Sultan s sons A riveting historical adventure perfect for fans of Simon Scarrow Conn Iggulden and Bernard Cornwell Praise for S J A Turney If you enjoy a fast paced action packed read you can t go wrong with these books Reader review Simon Turney has become one of my favourite historical novelists he certainly does his research but is a master storyteller too Reader review An excellent series well told and fast paced with ample betrayal and intrigue A must read Reader review I rarely give 5 stars but I can t help it This was a fabulous well written well researched series which gets better with each book Reader review It is easy to see why S J A Turney is top of the pile in ancient historical fiction the narrative pulls you along easily so you become part of the story Superbly done plenty of action and suspense Highly recommended historical fiction Reader review

Freedom, Imprisonment, and Slavery in the Pre-Modern World Albrecht Classen, 2021-04-19 Contrary to common assumptions medieval and early modern writers and poets often addressed the high value of freedom whether we think of such fable authors as Marie de France or Ulrich Bonerius Similarly medieval history knows of numerous struggles by various peoples to maintain their own freedom or political independence Nevertheless as this study illustrates throughout the pre modern period the loss of freedom could happen quite easily affecting high and low including kings and princes and there are many literary texts and historical documents that address the problems of imprisonment and even enslavement Georgius of Hungary Johann Schiltberger Hans Ulrich Krafft etc Simultaneously philosophers and theologians discussed intensively the fundamental question regarding free will e g Augustine and political freedom e g John of Salisbury Moreover quite a large number of major pre modern poets spent a long time in prison where they composed some of their major works Boethius Marco Polo Charles d Orlans Thomas Malory etc This book brings to light a vast range of relevant sources that confirm the existence of this fundamental and impactful discourse on freedom imprisonment and enslavement Prof Albrecht Classen is

the joint winner of The Literary Encyclopedia book prize for 2023 Literatures written in languages other than English for this book https://www.litencyc.com/book/prizes/book_prizes_2023.php *World Military History Bibliography* Barton Hacker, 2003-06-01 Preclassical and indigenous nonwestern military institutions and methods of warfare are the chief subjects of this annotated bibliography of work published 1967-1997. Classical antiquity, post-Roman Europe, and the westernized armed forces of the 20th century, although covered, receive less systematic attention. Emphasis is on historical studies of military organization and the relationships between military and other social institutions rather than wars and battles. Especially rich in references to the periodical literature, the bibliography is divided into eight parts: 1. general and comparative topics; 2. the ancient world; 3. Eurasia since antiquity; 4. sub-Saharan Africa and Oceania; 5. pre-Columbian America; 6. postcontact America; 7. the contemporary nonwestern world; and 8. philosophical, social, scientific, natural scientific, and other works not primarily historical. *Early Ukraine* Alexander Basilevsky, 2016-04-05 As the Dark Ages enveloped Europe, a civilization was born on the banks of the Dnieper River. Rus, whose capital at Kiev surpassed in grandeur most cities of Europe, was home to the Ukrainian people whose princes made war on Constantinople and established the city states of what would become Russia. The cities of Rus were destroyed by the Mongols, their remains falling to the Polish-Lithuanian kingdom. With the steppe restored to wilderness, the Ukrainian borderlands of the hardy frontiersmen known as Cossacks, who in the 17th century destroyed powerful Polish-Lithuanian and Muscovite armies, gained Ukrainian independence and established a unique social order. Drawing on English, Ukrainian, and French sources, this book chronicles the military and social origins of Ukraine and describes the differences between Ukraine and its neighbors. The author refutes the claim that Ukraine and Russia were once united in a common political system. **Putin vs Putin** Alexander Dugin, 2014-10-06 According to Prof. Alexander Dugin, Vladimir Putin stands at a crossroads. Throughout his career as the President of Russia, Putin has attempted to balance two opposing sides of his political nature: one side is a liberal democrat who seeks to adopt Western-style reforms in Russia and maintain good relations with the United States and Europe, and the other is a Russian patriot who wishes to preserve Russia's traditions and reassert her role as one of the great powers of the world. According to Dugin, this balancing act cannot go on if Putin wishes to enjoy continuing popular support among the Russian people. Putin must act to preserve Russia's unique identity and sovereignty in the face of increasing challenges both from Russian liberals at home and from foreign powers. Russia is no longer strong enough to stand on her own, he writes. In order to do this, Russia must cooperate with other dissenting powers who oppose the new globalist order of liberalism to bring about a multipolar world in which no single nation wields supreme power, but rather several major powers keep each other in balance. Russia is crucial to this effort, in Dugin's view, and indeed its own survival as a unique and independent civilisation is dependent on a geopolitical shift away from the unipolar world represented by America's unchecked supremacy. This fascinating book, written by an informal advisor to Putin and a Kremlin insider, is the first of its kind in English. *Continuities and Discontinuities of the Habsburg*

Legacy in East-Central European Discourses since 1918 Magdalena Baran-Szołtys, Jagoda Wierzejska, 2020-01-20 In 1918 the Danube Monarchy ceased to exist and its provinces became parts of the Monarchy's successor states which increasingly assumed the character of nation states. The regimes of these countries were usually oblivious and/or hostile to remnants of the erstwhile Austrian rule due to ideological reasons; they treated them as traces of a superimposed imperial power and an alien democratic pluralistic liberal tradition. Notwithstanding that fact, erasing the Habsburg Empire from maps of Europe did not entail the entire cancellation of its legacy on the former Habsburg territories. Although officially neglected or suppressed, this legacy made itself felt overtly or tacitly in discourses present in the public sphere of the countries that superseded the Monarchy.

Forging Urban Solidarities Charles L. Wilkins, 2010 As with most empires of the Early Modern period (1500–1800), the Ottomans mobilized human and material resources for war-making on a scale that was vast and unprecedented. The present volume examines the direct and indirect effects of war-making on Aleppo, an important Ottoman administrative center and Levantine trading city, as the empire engaged in multiple conflicts including wars with Venice (1644–69), Poland (1672–76), and the Habsburg Empire (1663–64, 1683–99). Focusing on urban institutions such as residential quarters, military garrisons, and guilds, and using intensively the records of local law courts, the study explores how the routinization of direct imperial taxes and the assimilation of soldiers to civilian life challenged and reshaped the city's social and political order.

Globalism in the Middle Ages and the Early Modern Age Albrecht Classen, 2023-09-05 Although it is fashionable among modernists to claim that globalism emerged only since ca. 1800, the opposite can well be documented through careful comparative and transdisciplinary studies as this volume demonstrates, offering a wide range of innovative perspectives on often neglected literary, philosophical, historical, or medical documents. Texts, images, ideas, knowledge, and objects migrated throughout the world already in the pre-modern world, even if the quantitative level compared to the modern world might have been different. In fact, by means of translations and trade, for instance, global connections were established and maintained over the centuries. Archetypal motifs developed in many literatures indicate how much pre-modern people actually shared. But we also discover hard-core facts of global economic exchange: import of exotic medicine and, on another level, intensive intellectual debates on religious issues. Literary evidence serves best to expose the extent to which contacts with people in foreign countries were imaginable, often desirable, and at times feared, of course. The pre-modern world was much more on the move and reached out to distant lands out of curiosity, economic interests, and political and military concerns. Diplomats crisscrossed the continents, and artists, poets, and craftsmen traveled widely. We can identify, for instance, both the Vikings and the Arabs as global players long before the rise of modern globalism, so this volume promises to rewrite many of our traditional notions about pre-modern worldviews, economic conditions, and the literary sharing on a global level, as perhaps best expressed by the genre of the fable.

The Ottoman World Christine Woodhead, 2011-12-15 The Ottoman empire, as a political entity, comprised most of the present Middle East, with the principal exception of Iran, north Africa, and south eastern

Europe For over 500 years until its disintegration during World War I it encompassed a diverse range of ethnic religious and linguistic communities with varying political and cultural backgrounds Yet was there such a thing as an Ottoman world beyond the principle of sultanic rule from Istanbul Ottoman authority might have been established largely by military conquest but how was it maintained for so long over such distances and so many disparate societies How did provincial regions relate to the imperial centre and what role was played in this by local elites What did it mean in practice for ordinary people to be part of an Ottoman world Arranged in five thematic sections with contributions from thirty specialist historians The Ottoman World addresses these questions examining aspects of the social and socio ideological composition of this major pre modern empire and offers a combination of broad synthesis and detailed investigation that is both informative and intended to raise points for future debate The Ottoman World provides a unique coverage of the Ottoman empire widening its scope beyond Istanbul to the edges of the empire and offers key coverage for students and scholars alike

The Rise and Fall of a Palestinian Dynasty Ilan Pappé, 2010 In this deeply researched political biography Ilan Pappé traces the rise of the Husayni family of Jerusalem who dominated Palestinian history from the early 1700s until the second half of the twentieth century Viewing this sweeping saga through the prism of one family the book sheds new light on crucial events the invasion of Palestine by Napoleon the decline of the Ottoman Empire World War I western colonialism and the advent of Zionism and provides an unforgettable picture of the Palestinian tragedy in its entirety The Rise and Fall of a Palestinian Dynasty is the history of Palestinian politics before national movements and political parties at the height of the Husaynis influence positions in Jerusalem and Palestine could only be obtained through the family's power base In telling the story of one family the book highlights the continuity between periods customarily divided into pre modern and modern pre Zionist and Zionist illuminating history as it was actually lived

Somatic Ego State Therapy for Trauma Healing Silvia Zanotta, 2024-08-08 This book integrates Ego State Therapy with body based therapies to present a multidimensional approach to working with clients who have experienced trauma Drawing upon a range of important modalities including Somatic Experiencing Polyvagal theory Hypnotherapy and Ego state therapy Silvia Zanotta lays out a practical view of what it means to navigate the internal and external world in the aftermath of trauma She provides an up to date applications oriented view that prepares the practitioner to move beyond a one size fits all treatment formula to meet the complexity of human experience This approach holds that issues such as resistance guilt and shame rejection and rage should be anticipated as a part of more than an obstacle to PTSD treatment Case vignettes transcript content and step by step instructions for specific interventions and activities take the content of the chapters from theory to practice This is a practical experiential book that will appeal to all professionals working with trauma including psychotherapists counsellors body workers and social workers

Daily Life in the Ottoman Empire Mehrdad Kia, 2011-08-17 This book provides a general overview of the daily life in a vast empire which contained numerous ethnic linguistic and religious communities The

Ottoman Empire was an Islamic imperial monarchy that existed for over 600 years At the height of its power in the 16th and 17th centuries it encompassed three continents and served as the core of global interactions between the east and the west And while the Empire was defeated after World War I and dissolved in 1920 the far reaching effects and influences of the Ottoman Empire are still clearly visible in today s world cultures Daily Life in the Ottoman Empire allows readers to gain critical insight into the pluralistic social and cultural history of an empire that ruled a vast region extending from Budapest in Hungary to Mecca in Arabia Each chapter presents an in depth analysis of a particular aspect of daily life in the Ottoman Empire

Honored by the Glory of Islam Marc David Baer,2011-09 Marc David Baer proposes a novel approach to the historical record of Islamic conversions during the Ottoman age and gathers fresh insights concerning the nature of religious conversion itself Rather than explaining Ottoman Islamization in terms of the converts motives Baer concentrates on the proselytizing sultan Mehmet IV 1648-87

The Janissaries Elite 58 Introduction

The Janissaries Elite 58 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Janissaries Elite 58 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Janissaries Elite 58 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Janissaries Elite 58 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Janissaries Elite 58 Offers a diverse range of free eBooks across various genres. The Janissaries Elite 58 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Janissaries Elite 58 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Janissaries Elite 58, especially related to The Janissaries Elite 58, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Janissaries Elite 58, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Janissaries Elite 58 books or magazines might include. Look for these in online stores or libraries. Remember that while The Janissaries Elite 58, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Janissaries Elite 58 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Janissaries Elite 58 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Janissaries Elite 58 eBooks, including some popular titles.

FAQs About The Janissaries Elite 58 Books

1. Where can I buy The Janissaries Elite 58 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide

- range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
 3. How do I choose a The Janissaries Elite 58 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
 4. How do I take care of The Janissaries Elite 58 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
 5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
 6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
 7. What are The Janissaries Elite 58 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
 8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
 9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
 10. Can I read The Janissaries Elite 58 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
