Keys to the Kingdom Betty Miller, 2003-11-21 Instruction on how to gain authority in God's Kingdom through prayer is the topic of this book Many principles and methods of prayer are covered such as praying in the Spirit fasting and prayer travelling prayer praise intercession and spiritual warfare **Investing in the Kingdom of God** Metropolitan of Mesogaia and Lavreotiki Nikolaos, 2018-01-11 If only we could invest a moment in the Kingdom of God and realise that the returns are extremely high So high that in the Kingdom there is no time no fear no inhibition inferiority insecurity guilt none of those things which trouble us in this life This is the blessing of God's freedom It is this which we must bring to life within us here on earth until each one of us will be able to change from being temporal to being eternal from being only human to being spiritual *The Seven Keys to the Kingdom* Apostle Pinky, 2010-12-13 Have you ever been wrong about anything Have you ever passionately believed in something only to find out later that you were mistaken all along It seems that every church teaches something different from that of the next one They can't all be right but it's very important to the Lord that we know the truth Which church teaches it Do any of them have the full picture How can we know that we know that what we've always been taught is accurate The only message that Jesus brought to Earth was that of the Kingdom It's repeated time after time in every word that He spoke in every book of the New Testament and foreshadowed in every book of the Old Testament Kingdom relationship is the entire reason that we were created and the only reason that Jesus came to Earth died and rose again Yet most Christians have never heard the message How can this be Because even though it has been right in front of our faces for two thousand years God has kept it hidden from our understanding until now Millions have read this
