Disserted Dunia Zongwe,2023-09-30 Disserted is a groundbreaking comprehensive book that guides LL B students on how to craft a first class dissertation It tackles head on the triple crisis faced by law students in developing nations a crisis of doubting thinking and writing This crisis manifests itself in the form of poorly written dissertations This is the first book to show how to practically assemble a dissertation from the perspective of decoloniality This makes Disserted uniquely suited to students from the Global South considering that decoloniality empowers them to overcome the triple crisis Indeed its originality in presenting practical advice and decolonial theory sets this book apart from the handful of guides on LL B dissertations Existing resources and manuals are filled with generalities and lack in practicality Written in student friendly prose its 23 chapters cover a wide range of topics including research proposals topic selection purpose and problem statements literature reviews digital tools and models powered by artificial intelligence AI the basics of legal prompt engineering plagiarism grammar and research methods Each chapter offers secrets and deep insights drawing from the author s extensive experience in supervising LL B dissertations and research papers notably in Southern Africa and India Though primarily targeting LL B students Disserted also serves as an essential companion and indispensable resource for supervisors law professors jurists and anyone interested in unraveling the complexities of writing dissertations Overall Disserted underscores the importance of structured dissertation writing coupled with a decolonized research approach that subverts dominant perspectives exposes the role of AI and technology in entrenching the coloniality of knowledge and fosters a broader understanding of law **Business Law and Economics for Civil Law Systems** Rousseau, Stéphane,Mackaay,

Ejan,Larouche, Pierre,Parent, Alain,2021-11-19 Business Law and Economics for Civil Law Systems highlights the relevance of economic analysis of business law from a civilian perspective It integrates a comparative approach common law and civil law to economic analysis using tools and illustrations to assist in conducting critical economic analysis of rules in the field of business law This book is a valuable contribution to the reflection on the place and meaning of value creation and accountability as goals for business law It will be of great value to academics interested in business law competition law comparative law and legal theory students studying law business and economics and to policy makers and regulators Our Word Is Our Bond Marianne Constable,2014-06-18 Words can be misspoken misheard misunderstood or misappropriated

they can be inappropriate inaccurate dangerous or wrong When speech goes wrong law often steps in as itself a speech act or series of speech acts Our Word Is Our Bond offers a nuanced approach to language and its interaction and relations with modern law Marianne Constable argues that as language modern law makes claims and hears claims of justice and injustice which can admittedly go wrong Constable proposes an alternative to understanding law as a system of rules or as fundamentally a policy making and problem solving tool Constable introduces and develops insights from Austin Cavell Reinach Nietzsche Derrida and Heidegger to show how claims of law are performative and passionate utterances or social acts that appeal implicitly to justice Our Word Is Our Bond explains that neither law nor justice are what lawyers and judges say nor what officials and scholars claim they are However inadequate our law and language may be to the world Constable argues that we know our world and name our ways of living and being in it through law and language Justice today however impossible to define and difficult to determine depends on relations we have with one another through language and on the ways in which legal speech the claims and responses that we make to one another in the name of the law acts

Supermajority Voting in Constitutional Courts Cristóbal Caviedes, 2024-08-02 This book challenges the wide use of majority rule in many constitutional courts for declaring statutes unconstitutional and argues that these courts should rather perform constitutional review by using supermajority rules Considering that constitutional courts often tackle hard moral issues it is questionable whether a bare majority of judges should suffice for settling them especially considering these courts counter majoritarian nature Further the wide use of majority rule for checking the constitutionality of legislation may increasingly risk their reputation Such a concern is developing in the United States following a series of Supreme Court decisions This book argues that majority rule is unjustified in constitutional review This means that in constitutional review considering majority rule's traits there are no decisive reasons for using this voting rule over other voting rules Additionally the book argues that when checking the constitutionality of legislation constitutional courts should replace majority rule with supermajority rules Thus for declaring statutes unconstitutional it is argued that more than 50% of the judges present plus

one judge present should be needed This book will be of interest to academics researchers and policy makers working in the areas of Constitutional Law and Politics **Consumer Law and Economics** Klaus Mathis,Avishalom Tor,2020-08-31 This edited volume covers the challenges currently faced by consumer law in Europe and the United States ranging from fundamental theoretical questions such as what goals consumer law should pursue to practical questions raised by disclosure requirements the General Data Protection Regulation and technology advancements With governments around the world enacting powerful new regulations concerning consumers consumer law has become an important topic in the economic analysis of law Intended to protect consumers these regulations typically seek to do so by giving them tools to make better decisions or by limiting the consequences of their bad decisions Legal scholars are divided however regarding the efficacy and effects of these regulations some call for certain policies to be abolished while others support a regulatory expansion

The Consumer Welfare Hypothesis in Law and Economics Fabrizio Esposito,2022-11-18 The Consumer Welfare Hypothesis in Law and Economics is a compelling account of market relations with firm roots in economic theory and legal practice This incisive book challenges the mainstream view that allocative efficiency is about total welfare maximisation Instead it argues for the consumer welfare hypothesis in which allocating resources efficiently means maximising consumer welfare and demonstrates that legal structures such as antitrust and consumer law are in reality designed and practised with this goal in mind **Law and Justice** Sam Muller,Stavros Zouridis,2012-10-31 The work of HiiL on the law of the future has produced two volumes The Law of the Future and the Future of Law Volumes I and II that bring together 85 think pieces on legal trends in different areas of law and more than 10 interviews with key policy makers as well as incorporating the outcomes of 15 workshops with different legal and justice actors around the world The main question that emerged from this comprehensive process was what can one do with the different legal futures that might come to be as captured in the collection Law Scenarios to 2030 This question could be rephrased who stragises This volume brings you the reflections on this question by a diverse group of thought and practice leaders from different fields and parts of the world Strategy in the justice sector is not an easy thing At the same time the need for coherent strategies seems urgent This book seeks to be a catalyst for broad discussion on this challenge It includes chapters by Geert Corstens President Dutch Supreme Court Mark Ellis Executive Director International Bar Association Adama Dieng Special Adviser to the UN Secretary General on Genocide Kimberly Prost Ombudsperson Security Council s 1267 Committee and Adel Maged Vice President Egyptian Court of Cassation
