his second marriage his relationships with his two sons the trajectory of his career at The New York Times and his move toward old age At the center of his narrative is his most thrilling fishing adventure an epic battle with a marlin he hooked and fought for more than seven hours in the South Pacific which comes to symbolize his growing understanding and acceptance of the unpredictability of luck love lies and life and how the unexpected can in fact be an opportunity to make life more interesting Raines s wonderful descriptions of streams people and fish his passion for angling and writing and his wise and perceptive commentary on the vagaries of his own life combine to create a profound book one of undeniable appeal and uncommon heart
