**Sir Richard Burton, Vol. 1 (Classic Reprint)** Thomas Wright,2015-07-08 Excerpt from The Life of Sir Richard Burton Vol 1 Fifteen years have elapsed since the death of Sir Richard Burton and twelve since the appearance of the biography by Lady Burton A deeply pathetic interest attaches itself to that book Lady Burton was stricken down with an incurable disease Death with its icy breath hung over her as her pen flew along the paper and the questions constantly on her Ups were Shall I live to complete my task Shall I live to tell the world how great and noble a man my husband was and to refute the calumnies that his enemies have so industriously circulated She did complete it in a sense for the work duly appeared but no one recognised more clearly than herself its numerous shortcomings Indeed it is little better than a huge scrap book filled with newspaper cuttings and citations from Sir Richard s and other books hurriedly selected and even more hurriedly pieced together It gives the impressions of Lady Burton alone for those of Sir Richard s friends are ignored so we see Burton from only one point of view Amazing to say it does not contain a single original anecdote though perhaps more amusing anecdotes could be told of Burton than of any other modern Englishman It will be my duty to rectify Lady Burton s mistakes and mis statements and to

fill up the vast hiatuses that she has left Although it will be necessary to subject her to criticism I shall endeavour at the same time to keep constantly in mind the queenliness and beauty of her character her almost unexampled devotion to her husband and her anxiety that everyone should think well of him Her faults were all of the head Of the heart she had absolutely none About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      *The True Life of Capt.
