Tollett,2021-06-22 What I love about the Bible is you don t have to wait until the book of Matthew to discover Jesus God has
intentionally planted Jesus in the Old Testament from the very beginning When you begin to read the Old Testament with
Jesus tinted lenses then it becomes incredible at what you discover I relate looking for Jesus in the Old Testament to digging
gold in an old abandoned gold mine When you dig up a piece of gold you don t want to quit You are inspired to dig harder
and dig deeper to find more You catch gold fever I have found when people no longer see the Old Testament as an old
abandoned part of the Bible and begin to dig for Jesus what they will discover is a wealth of Jesus gold When this happens
they catch the Jesus Fever **The Lost Lamb of Bethlehem** Sherry Mclaggan,2017-07-12 Walk with this precious little

Susquehanna Confluence Katherine M. Faull,2024-03-12 Located at the confluence of the north and west branches of the
Susquehanna River Shamokin was a significant historical settlement in the region that became Pennsylvania By the time the
Moravians arrived to set up a mission in the 1740s Shamokin had been a site of intertribal commerce and refuge for the

Native peoples of Pennsylvania for several centuries It served first as a Susquehannock then a Shawnee and then a primarily Lenape settlement and trading post overseen by the Oneida leader and diplomat Shikellamy Cultures at the Susquehanna Confluence is an annotated translation of the diaries documenting the Moravian mission to the area Unlike other missions of the time the Moravians at Shamokin integrated their work and daily life into the diverse cultures they encountered demonstrating an unusual compromise between the Church's missionary impetus and the needs of the Six Nations of the Iroquois The diaries counter the dominant vision of the area around Shamokin as a sinister place revealing instead a nexus of vibrant cultural exchange where women and men speaking Lenape Mohican English and German collaborated in the business of survival at a pivotal time The Shamokin diaries which until now existed only in manuscript form in difficult to read German script in the Moravian Archives in Bethlehem Pennsylvania allow today's readers to experience the Susquehanna confluence and the rich intercultural exchanges that took place there between Europeans and Native Americans
