The Lives Of The Twelve Caesars English Edition:

The Lives of the Twelve Caesars Suetonius,1959 **The Twelve Caesars** Suetonius,2002-12-31 As private secretary to the Emperor Hadrian Suetonius gained access to the imperial archives and used them along with carefully gathered eye witness accounts to produce one of the most colourful biographical works in history The Twelve Caesars chronicles the public careers and private lives of the men who wielded absolute power over Rome from the foundation of the empire under Julius Caesar and Augustus to the decline into depravity and civil war under Nero and the recovery and stability that came with his successors A masterpiece of anecdote wry observation and detailed physical description The Twelve Caesars presents us with a gallery of vividly drawn and all too human individuals THE TWELVE CAESARS - Suetonius Suetonius,2024-02-10

Written by the great Roman historian Suetonius in the year 121 The Twelve Caesars is an extremely important historical document and one of the main sources of knowledge about Roman history In this magnificent work which covers the period from the rise to the fall of the Roman Empire we get to know the intimacy of the life of each of the twelve Caesars their ancestors their military campaigns the events that led them to power and death as well as the character and personality of each of them Beyond historical facts Suetonius managed to portray the human character of the 12 Caesars in an environment characterized by unlimited power violence and the debauchery and luxury of the emperors in ancient Rome It is an exceptional work that deserves to be read The lives of the twelve Caesars by Suetonius Suetonius,1931 *The Lives of the Twelve Caesars. An Unexpurgated English Version* Caius Suetonius Tranquillus,1937 *Lives of the Twelve Caesars* Suetonius,1997 This text by Suetonius a Latin biographer is a major source for the period from Julius Caesar to Domitian It sets out a great range of aspects illuminating the emperors characters their habits from table to bedchamber their intrigues loves and their deaths **The Lives of the Twelve Caesars** C. Suetonius Tranquillus,2022-04-22 The Twelve Caesars 121 CE can be considered one of the most picturesque biographical works ever written It records the lives of the people who brandished complete power in Rome after it transformed from being a republic into an empire in 27 BCE Suetonius was closely familiar with court life as he was a private secretary to one of the emperors Hadrian He uses that information in The Twelve Caesars to reveal insights into the ups and downs of the empire s early years as well as the ideals and flaws of its seemingly divine rulers The composition of the individual memoirs has frequently perplexed modern readers who expect Suetonius to recount his story in an even and linear manner from the ruler s birth to his death Suetonius generally began the autobiography with the emperor s family and his upbringing the majority of each memoir consists of a myriad of memorable anecdotes about an emperor s private life and his public conduct Be that as it may this is not a mere inventory of corruption and sex Instead Suetonius lets his readers know that he has carefully organized the narratives by categories These categories incorporate the emperor s morality and his vices After the vices and virtues Suetonius Lives normally conclude with a story of the emperor s passing and a comprehensive physical description of his body **The Lives of the Twelve Caesars**(
