The Long Fall:

The Long Fall Walter Mosley, 2010-05-13 Bestselling mystery writer Walter Mosley's electric new novel introduces a brand new investigator Leonid McGill and a gripping new set of challenges We follow former rule breaker Leonid McGill as he's buffeted between the overlords of New York's underbelly desperate to turn straight but unable to say no to a nicely paid job When we're introduced he's calling in old favours and greasing NYPD palms to uncover seemingly harmless information for a high paying client But when the former schoolmates on his list are bludgeoned to death one by one McGill realises that a friendly reunion wasn't quite what his taskmaster had in mind And the awkward questions that follow seem almost welcome in comparison to a visit from Willie Sanderson a trained killer and modern day Frankenstein now primed to ensure that McGill breathes his last THE LONG FALL shows Walter Mosley at the height of his powers breathing new life into American crime writing with sassy dialogue and unflinching social truths Vividly capturing a city not nearly as cleaned up as its politicians would have us believe this is new Mosley and it's just as good as the vintage kind **Domestic Noir** Laura Joyce, Henry Sutton, 2018-04-23 This book represents the first serious consideration of the domestic noir phenomenon and by extension the psychological thriller The only such landmark collection since Lee Horsley's The Noir Thriller it extends the argument for serious academic study of crime fiction particularly in relation to gender domestic violence social and political awareness psychological acuity and structural and narratological inventiveness As well as this it shifts the debate around the sub genre firmly up to date and brings together a range of global voices to dissect and situate the notion of domestic noir This book is essential reading for students scholars and fans of the psychological thriller Annual Report of the Chief of Engineers to the Secretary of War for the Year ... United States. Army. Corps of Engineers,1873 Elections in Indonesia Hans Antlov,Sven Cederroth,2021-03-24 It has sometimes been argued that many Indonesians had little sympathy with western notions of elections being events for the contesting and transfer of power and that they rather supported the New Order s use of festivals of democracy elections as occasions at which the mass of ordinary Indonesians were given the opportunity to celebrate the country s achievements under the rule of its New Order leadership as well as legitimize the continued rule of these leaders But the need to stage manage these elections as New Order triumphs finally undid the regime With chapters describing the last New Order election and the first free election in the post Suharto era this volume makes an important contribution to our understanding of the demise of the New Order and the directions being taken by the emerging regime The Canadas in 1841 Richard Henry Bonnycastle,2024-08-16 Reprint of the original first published in 1841 **Coyote Rising** Allen Steele,2025-12-16 A Hugo Award winning author presents a generational saga about the fate of human freedom on a colonized alien world The settlers of the extrasolar moon Coyote escaped the tyrannical United Republic of America on Earth to create a home for themselves where they could pursue lives free from persecution a colony they named Liberty But that regime was overthrown by the Western Hemisphere Union a social collectivist government that seized Republic resources and followed the colonists across the stars to claim the settlement and the world as Union property Outnumbered and outgunned by an occupying force Coyote s pioneers nevertheless refuse to surrender Abandoning their village they settle on a different continent where they establish the town of Defiance hidden from their enemies But when Liberty s meager supplies prove insufficient to feed and house the one thousand people who arrived under the Union s banner violent factions arise and compete to survive undermining collectivist beliefs and military authority To prevent Union expansion and retake Liberty the people of Defiance are willing to wage war But even as the human conflict escalates the challenges of Coyote s alien landscape threaten them all Would make Robert A Heinlein proud Entertainment Weekly Unlike most series books readers will enjoy this one whether they have read the first installment or not Rocky Mountain News *The Complete Idiot's Guide to Trees and Shrubs* Joshua Plunkett,Jeanne K.
