author has made use of satellite imagery not previously available to earlier authors on the battle to confirm the location of the old Cinque port of Hastings first proposed by Nick Austin in his *Secrets of the Norman Invasion* the site of Duke Williams s pre battle camp The author has analyzed the relative distances from the old port to the Battle Abbey site and the Blackhorse Hill site to eliminate the former and confirm the latter As far as is known no one has ever considered the Blackhorse Hill site before and it is hoped that this will inspire researchers to expand upon these findings
