Loudoun County Fire and Rescue Apparatus History Mike Sanders,2007 The formation of the volunteer fire and rescue departments were a central part of Loudoun County s rich history In the beginning residents rallied to provide fire

protection and emergency medical care to their neighbors As more communities were established fire and rescue departments worked together to provide assistance to each other during an emergency As Loudoun County experiences incredible growth volunteers from the community work side by side with career personnel to ensure that citizens are well protected The images in this volume capture the history of Loudoun s fire and rescue apparatus from the earliest trucks to today s modern fire and rescue vehicles The photographs depict a time when departments struggled to raise funds and provide protection to their communities This Images of America book shows how far fire and rescue departments have come to ensure the protection of life and property in Loudoun County Revisiting Mathematics Education Hans

Freudenthal,2005-12-08 This book is a product of love and respect If that sounds rather odd I initially apologise but let me explain why I use those words The original manuscript was of course Freudenthal s but his colleagues have carried the project through to its conclusion with love for the man and his ideas and with a respect developed over years of communal effort Their invitation to me to write this Preface e bles me to pay my respects to the great man although I am probably incurring his wrath for writing a Preface for his book without his permission I just hope he understands the feelings of all colleagues engaged in this particular project Hans Freudenthal died on October 13th 1990 when this book project was well in hand In fact he wrote to me in April 1988 saying I am thinking about a new book I have got the sub title China Lectures though I still lack a title I was astonished He had retired in 1975 but of course he kept working Then in 1985 we had been helping him celebrate his 80th birthday and although I said in an Editorial Statement in Educational Studies in Mathematics ESM at the time we look forward to him enjoying many more years of non retirement I did not expect to see another lengthy manuscript **Happily Ever After** Catherine M.
