Words for My Beloved Kevin Berger, 2014-07-06 This is a collection of love songs and poetry that I have written over the past twenty years Remaking Root Modular Learning Theory by Jason Changkyu Kim, Edition 1, September 2021 Jason Changkyu Kim, A behemoth of a textbook that offers over 360 pages of lesson plans activities and worksheets for Young Learners and Adults Learning English as a Second Language *Queer Media in China* Hongwei Bao, 2021-05-30 This book examines different forms and practices of queer media that is the films websites zines and film festivals produced by for and about lesbian gay bisexual transgender and queer LGBTQ people in China in the first two decades of the twenty first century It traces how queer communities have emerged in urban China and identifies the pivotal role that community media have played in the process It also explores how these media shape community cultures and perform the role of social and cultural activism in a country where queer identities have only recently emerged and explicit forms of social activism are under serious political constraints Importantly because queer media is niche and narrowcasting rather than broadcasting and mass communication the subject compels a rethinking of some often taken for granted assumptions about how media relates to the state the market and individuals Overall the book reveals a great deal about queer communities and identities queer activism and about media and social and political attitudes in China Catalog of Copyright Entries, Third Series ,1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **The English Translation of Cāndāyan** Naseem A. Hines, 2023-06-16 This book is the first English translation of Cāndāyan the pioneer work in a long tradition of Indian Sufi love narratives The story was adapted from an oral epic Chanaini popular in the Awadhi speaking region of north India in the fourteenth century The early manuscripts of Cāndāyan though composed in the Awadhi dialect were recorded in the Persian script Each stanza like unit is introduced by a phrase or sentences in the Persian language style making it necessary for a reader to know the Persian script and language as well as the Awadhi dialect This somewhat limits the access to fully explore Cāndāyan In addition to this the esoteric interpretation which is the distinguishing feature that gives the Indian Sufi masnav literature its unique identity was

also not yet realized C nd yan deserves to be celebrated and recognized because it marks the beginning of the indigenizing process of the masnav in India and served as a model for this literary genre for the next 540 years A serious study of Maulana Daud s C nd yan composed in 1379 in the reign of Firoz Shah Tughlaq did not begin until well into the twentieth century because only a few pages of its manuscript folios were discovered at a time in various academic institutions and museums around the world C nd yan is a fascinating study of the blending of the features of the Persian masnav with the features of the Hindi prem khy n narratives and the features of the medieval Jain literature Even today annually in the Mahakoshala region C nd yan is presented in the form of drama and in the folk song and play forms Print edition not for sale in South Asia
