The Red Slippers Carolyn Keene, 2015-12-15 Sabotage could result in a final curtain call for a ballerina's career in this eleventh book of the Nancy Drew Diaries, a fresh approach to a classic mystery series. Nancy and Bess are excited when they run into their old friend Maggie Rogers in River Heights. As little girls, Bess and Nancy were in dance classes with Maggie until she moved away to attend a prestigious ballet academy. Now Maggie is part of a ballet company made up of the most promising young dancers in the state, and the company is in town to perform *Sleeping Beauty*. This performance is especially important because the famous dance critic Oscar LaVigne will be in the audience. A good review could catapult Maggie's career, but a bad one could ruin everything. In the days leading up to the big show, strange things start happening. First, someone tampers with Maggie's phone, making her late to rehearsal. Then, Maggie's face is violently scratched out of all the official show posters, and she finds her dressing room completely destroyed. All signs point to sabotage, and Nancy is determined to find out who's behind it. Will she crack the case in time, or is *Sleeping Beauty* destined to be Maggie's last dance?

Superstitions of "The Scottish Play" Carolyn Keene, 2025-01-21 Nancy investigates a string of accidents at the theater in the twenty-sixth Nancy Drew Diaries, a fresh approach to a classic series. When Ned is cast in a stage production of *Macbeth*, led by the famous but peculiar director Bear Larouche, Nancy volunteers to help with the set. She's also allowed to sit in on a few rehearsals where she gets an earful from the director about theater superstitions: never say *Macbeth* out loud, only refer to it as *The Scottish Play*; never wear blue; no peacock feathers onstage; and so on. The play is off to a promising start until Ned breaks the most important rule and accidentally says *Macbeth* in the theater. And then accidents begin happening during rehearsals. It quickly goes from odd to scary, and the director is ready to cancel the show. Nancy might not believe in superstition, but she does believe in intuition, and hers is telling her that the cause behind these incidents isn't a curse, but someone in the cast. It's up to her to find out who, before opening night.

What Disappears in Vegas . . . Carolyn Keene, 2024-01-23 A missing bride leads Nancy on a chase through Las Vegas in the twenty-fifth Nancy Drew Diaries, a fresh approach to a classic series. Bess and George's cousin Veronica is getting married to extreme sports enthusiast Xavier Redd, and as a close friend of the family, Nancy has been invited to the wedding. Given the groom's big personality and love for the extreme, the wedding will take place in Vegas, and the couple plan to take advantage of local sporting opportunities in the week leading up to the big event. Not everyone in the family approves of Veronica's fiancé, though, especially because of the risk-taking behavior. Xavier has introduced her to, and when one of the couple's sporting stunts almost ends in a serious accident, it's not clear whether it's an unfortunate coincidence or whether someone really wants to stop the wedding from happening. Still, the day of the wedding arrives. But when it comes time to exchange vows, the

bride is nowhere to be seen Is this just a case of cold feet Or has one of the wedding guests created a cold hearted plot One thing s for sure Nancy won t rest until she finds out
