The Man Who Loved Dogs Leonardo Padura, 2024-03-26 A gripping novel about the assassination of Leon Trotsky in Mexico City in 1940 In *The Man Who Loved Dogs* Leonardo Padura brings a noir sensibility to one of the most fascinating and complex political narratives of the past hundred years the assassination of Leon Trotsky by Ramón Mercader The story revolves around Iván Cordero Maturell who in his youth was the great hope of modern Cuban literature until he dared to write a story that was deemed counterrevolutionary When we meet him years later in Havana Iván is a loser a humbled and defeated man with a quiet unremarkable life who earns his modest living as a proofreader at a veterinary magazine One afternoon he meets a mysterious foreigner in the company of two Russian wolfhounds This is the man who loved dogs and as the pair grow closer Iván begins to understand that his new friend is hiding a terrible secret Moving seamlessly between Iván's life in Cuba Ramón's early years in Spain and France and Trotsky's long years of exile *The Man Who Loved Dogs* is Padura's most ambitious and brilliantly executed novel yet This is a story about political ideals tested and characters broken a multilayered epic that effortlessly weaves together three different plot threads Trotsky in exile Ramón in pursuit Iván in frustrated stasis to bring emotional truth to historical fact A novel whose reach is matched only by its astonishing successes on the page *The Man Who Loved Dogs* lays bare the human cost of abstract ideals and the insidious corrosive effects of life under a repressive political regime

Even the Dogs Jon McGregor, 2020-05-12 A ferocious book at once intense and alarmingly unsentimental James Wood The New Yorker this intimate exploration of life at the edges of society is littered with love loss despair and a half glimpse of redemption now reissued with an introduction by Yiyun Li On a cold quiet day between Christmas and the New Year a man s body is found in an abandoned apartment His friends look on but they re dead too Their bodies found in squats and sheds and alleyways across the city Victims of heroin they re ghosts in the shadows a chorus keeping vigil as the hours pass paying their own particular homage as their friend s body is taken away examined investigated and cremated All of their stories are laid out piece by broken piece through a series of fractured narratives We meet Robert the deceased the only alcoholic in a sprawling group of junkies Danny just back from uncomfortable holidays with family who discovers the body Laura Robert s daughter who stumbles into the drug addict s life when she moves in with her father after years apart Heather who has her own home for the first time since she was a teenager Mike the Falklands War vet and all the others Theirs are stories of lives fallen through the cracks hopes flaring and dying love overwhelmed by more immediate needs These invisible people live in a parallel reality to most of us out of reach of food and shelter And in their sudden deaths it becomes clear they are treated with more respect than they ever were in their short lives Winner of the International Dublin Literary Award *Even the Dogs* is a daring and humane exploration of homelessness and addiction from a writer who will make a significant stamp on world literature In fact he already has Colum McCann winner of the National Book Award
