The Jesus Brand:

The Jesus Brand Sandra Marie Wilson,2012-05-04 No One On Earth Can Build A Better Brand Own A Better Brand Or Be A Better Brand Why Because The Jesus Brand Is The Best Brand In The Whole World And Because Of This Brand Billions Have Come To Know That There Is No Other Name Under Heaven Given Among Men Whereby We Must Be Saved Other Than The Name Of Jesus Ken Wilson,2008-05-27 An exploration of four dimensions of the spirituality Jesus left in his wake engages those drawn to the fascinating figure buried in the messy field of religion *The Ministry of Branding* Mike Martin,2018-10-12 The Ministry of Branding takes you on a brand building journey One of the greatest inventions ever created was the microphone this book is just that It is the tool you have been looking for to amplify the significance of your voice For any business the brand is one of their most important assets The Ministry of Branding aims to help you widen the influence and reach of your brand In this book you are going to learn The Meaning of Branding A Biblical Basis for Branding The Jesus Brand Model How to Build a Brand How to Launch a Brand And so much more This book is unlike any other branding book you have read or seen on the shelf Whether you are a novice or a marketing director you are going to find the tools you need in this book There is nothing like having a personal coach to escort you into the reality of your dreams The Ministry of Branding will directly coach you through every step of the branding process *Underneath This Smile* Rebecca Leatherwood,2023-10-27 Underneath This Smile is based on the blog Rebecca s Challenge Rebecca started her writing career at eighteen years old with a blog that has now been turned into the devotional Underneath This Smile This devotional is designed for everyone and covers topics that everybody faces in life Rebecca also talks about her personal life her experiences and her walk with Christ She has a unique approach in relating to people while looking through the lenses of the Bible The goal of Underneath This Smile is to help and encourage you in your daily life while you walk with Christ Rebecca hopes she touches your heart in a sensitive way Rebecca wants you to feel like you have always known her @StickyJesus Toni Birdsong,Tami Heim,2012 stickyJesus is a fusion of discipleship faith sharing marketing and a Get Started 101 on Twitter Facebook and blogging stickyJesus lays out the current day reality the good the bad and the ugly and challenges Christ followers to regain our God given dominion on earth which includes the Internet With knowledge skills and Holy Spirit guidance we encourage believers to dig in and learn how to navigate this online world together and give Christ a voice in the online world The book also includes personal testimonies Most are from everyday people impacting others lives and culture online for Christ These are real people and ministries about a dozen making a difference because they walk talk and connect differently online They are living out their faith before others unashamed The authors desire is that this project will equip and empower Christ followers and get them excited about sharing their faith online **Hopecasting** Mark Oestreicher,2015-02-23 Mark Oestreicher shares the story of his trip into the desert literally and figuratively after a disruptive life event From there he helps us understand the elusive nature of hope where it comes from how we come upon it

how we lose sight of it how we come back to it and how we hang on to it against all hope **Rewired** Brandon Cox,2014-02-04 If God s desire to enlarge His family matters If the church of the future matters If the gospel still matters We must embrace the changes that are happening in our world There is no going back Our world is changing at an unprecedented rate We are connected with people all over the planet through technology that didn t even exist ten years ago The world around us is having a conversation about life meaning culture and eternity and we have an amazing opportunity not just to join the conversation but also to lead it But too many in the church are struggling to keep up with this cultural shift and failing to use these communication tools to their full advantage In **Rewired** Brandon Cox demonstrates the real connecting power in online social networks showing you how to connect and tell God s story relationally and creatively in our social digital age Because the thing is social media isn t an escape from the real world It is the real world whether we are ready for it or not And this shift we are seeing toward a more mobile social environment is actually a return to the form we were created for to be in relationships to have conversations and to share our stories and God s with each other **It's in the Bag** Kimberly Gordon,2012-03-28 We carry our purses everywhere We don t leave home without them They are as diverse and unique as we are A purse can truly reflect who we are Is it smooth black leather or bold pink flowers Does it hang from our arm or is slung over our back or strapped around our waist What if we were given a purse by Jesus Himself full of whatever we would need for the day and season of life How much would it cost Who could afford it It s free because it is given to us the Bride by our Groom Jesus Christ Let s see what Jesus has given It s in the Bag **The Jesus Life** Grant Windle,2004 *The Personal Branding Phenomenon* Peter Montoya,Tim Vandehey,2002 From the schoolroom to the boardroom everyone succeeds or fails by the rules of Personal Branding Understand why and how in this guide to shaping your life Personal Branding isn t the product of ad agencies or corporations it s a continuous process that s as old as society A Personal Brand the values abilities and personality traits people associate with you affects your career your relationships your life it This work teaches the secrets that can turn the right Personal Brand into an engine for unlimited success and wealth **The Sent Brand: Pastor Tunde Bakare** Segun Adewole-Bank,2022-04-18 The Portrait of a True Brand Pastor Tunde Bakare as a Model is a book written with you in mind This book definitely is not an attempt to blow anyone s trumpet but what you are holding in your hand is the result of obedience to the Spirit of the Lord It is my belief therefore that there is something in this book for your benefit Also the contents of this book are not fabrications and there is no exaggeration in it either This book is certainly going to deliver to you the following It will make you to have a true encounter with the life of a man who is scripturally walking with the Lord It will give to you insight into the life of a Muslim boy who later met the Lord Jesus and the vision of his call It will reveal to you the authenticity and the sincerity of a man that some see as controversial but whom the Lord has called to speak for him It will confirm to you the truth that we are all on a journey but that there is a destination beyond the visible Therefore we must see the reason to live this life to the fullness in Christ and for his glory

alone It will enable you to learn and to emulate at least one thing from the life of this man who is an intercessor a pastor a prophet and a nation builder indeed **That Unknown Face of Christianity** Maanoj Rakhit,2005-06-25 Unbelievable as it may sound but then the Christian sources indicate that Christian Postwar World Policy for BhaaratVarsh has been to split the nation into pieces and create militant minorities 1 Create a militant minority comprising Christians 2 Claim for separate States for Christians 3 Work against national unity Source Report of the Christian Missionaries Enquiry Committee 1956

Seed 8: Beware of THIS Aasuric Culture Maanoj Rakhit,2009-09 It is they who dumped on us their brand of cheap morality and turned us into Asurs like themselves This is not acceptable They can live in their own house and do whatever they feel like but they have certainly no right to sneak into our houses and teach our children their lowly ways We have a right to know their true characters and where they have brought us within a matter of one and half a century We have the right to know what we were without their company and how low we have sunk being in their company *What's the Message?* Sullivan, Kevin,2022 The Bible argues the author is the best self help book of all time Reaching beyond a conventionally religious readership What s the Message gives a fresh and positive approach including ponderings that make sense of the ancient words of Scripture in contemporary terms With the Bible basic story line in view the author enables readers to interact intelligibly with the big themes love of God and love of neighbor mercy and forgiveness effective prayer faith and assurance service to others and spiritual renewal While this book introduces new readers to the Bible who could otherwise be intimidated by its size and antiquity its goal is ultimately to encourage readers to engage in a fuller study of the Bible than they have previously pursued or even thought possible *The Pilgrim Teacher and Sunday School Outlook* ,1908

The Gospel Way Catechism Trevin Wax,Thomas West,2025-07-22 In addition to being a straightforward Q A style presentation of 50 essential Christian beliefs The Gospel Way Catechism takes faith formation deeper by exploring how each answer counters the secular narratives of today Jesus Brand Spirituality Ken Wilson,2008-05-27 Jesus wants his religion back so it can be for the world again So begins this expertly written book by Ken Wilson a pastor practitioner and pilgrim to engage those drawn to the fascinating figure buried in the messy field of religion Jesus Brand Spirituality is for those disillusioned by the current swirl of cultural conflict moralism and religious meanness that amounts to a form of trademark infringement on the movement that bears his name Combining candor curiosity and rare insight the author explores four dimensions of the spirituality Jesus left in his wake active contemplative biblical and communal Practical engaging and compelling this fresh illumination of an ancient path is both moving and thought provoking Phyllis Tickle founding editor of the Religion Department at Publisher s weekly calls Wilson one of America s most gifted evangelicals a thoughtful unflinching pastor for thinking Christians but he has outdone even his own reputation here Candid confessional and full of stories these conversational chapters from a man enthralled with Jesus are shot through with the passion and the realism of an eternally vital romance **The Outward-Focused Life** Dave Workman,2008-08-01 Dave Workman wants to start a revolution that

will turn Christians and the world inside out With keen insight and sharp wit Workman uncovers our self motivated and self centered tendencies and shows us how to turn them around in service to others A collection of short chapters derived from Workman s popular radio program The Outward Focused Life offers busy people practical ideas that turn their thoughts from themselves to other people This book gives readers the encouragement and energy they need to change their world one day at a time though generosity of time money and spirit

Branded Faith Rajkumar Dixit,2010-06-07 Christianity may be the greatest story ever told but in Western culture it is losing ground against the powerful forces of secularization In examining the root causes of this cultural shift does the church have anything to learn from secular society and the business sector For decades the church has resisted the idea of using business methodologies in the religious sphere Yet a closer look reveals that most church hierarchies have borrowed much of their organizational structure from the business sector But the church is not alone in its borrowing Today the lines between the church and the business sector are blurred as both entities influence each other interchangeably In Branded Faith Rajkumar Dixit enters an engaging and intellectually stimulating analysis of what the church can learn from the business practices of marketing branding and contextualization Using examples drawn from widely recognized companies such as Nike Starbucks Coca Cola and Subway Dixit systematically builds a case for the power of a story and emphasizes the importance of seeking culturally relevant ways to spread it Those who care deeply about sharing Christianity powerfully and effectively will find in Branded Faith a thoughtful presentation of ideas on how to maintain the integrity of the gospel while exploring fresh methods of communicating the good news to a postmodern society
