JEWISH STATE

IN THE XX CENTURY.

The Jewish State

Mordechai Nisan

The Jewish State:

A Jewish State Theodor Herzl, 1917 **Judenstaat** Theodor Herzl, 1888-01-01 Founder of modern Zionism clearly forcefully advocates creation of a Jewish homeland Extremely influential Introduction Bibliography The Jewish State Theodor Herzl, Alex Bein, Louis Lipsky, 2025-03-28 The Jewish State by Theodor Herzl is a foundational text in the history of Zionism and the movement to establish a Jewish state Herzl a key figure in Zionist history presents his compelling argument for a political solution to the plight of the Jewish people This seminal work categorized under Social Sciences explores the necessity and feasibility of creating a sovereign nation for Jews It provides invaluable insight into the political and religious context of the late 19th century offering a window into the historical roots of Israel Delve into Herzl's vision and understand the intellectual framework that shaped the Zionist movement Explore the ideas that sparked a global movement and reshaped the map of the Middle East This edition preserves the original text offering readers direct access to Herzl's powerful and influential message This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Jewish State Theodor Herzl, 2014-04-14 Zionism is Jewish ethno nationalism in its purest form The creation of the state of Israel is the most successfully executed plan to create an ethnically homogenous territory in modern history As such it is worth of study by any group seeking its own ethnically based homeland This book written in 1896 by the founder of the Zionist movement and thereby the de facto founder of Israel lays out the plan and route by which Jewish statehood was achieved Herzl describes in detail how the state was justified how the Jews would go about managing the physical occupation of the territory and the logistical steps which had to be taken in order to achieve a Jews only state In these times of demographic change in the West those seeking a solution to the impending crisis facing European man will do well to study this plan No matter what the current problems of Israel may be the reality is that it is a Jewish homeland majority occupied by Jews and a basis from which that people will be able to survive whatever racial demographic invasion might swamp the West European survival will depend upon the creation of geographic territorial enclaves and this book tells how it can be done Significantly Herzl points out that anti-Semitism would be one of the biggest push factors which would drive Jews to the Zionist state This is of bearing to Europeans given what will be the increasingly anti white nature of many of the multi racial Western states This book is more than a historical document It is a manual a guidebook for those seeking to create an ethno state It should be read by all those serious about creating such a haven for the increasingly beleaguered European people Contents INTRODUCTION Theodor

Herzl A BIOGRAPHY Preface Chapter I Introduction Chapter II The Jewish Question Chapter III The Jewish Company Chapter IV Local Groups Chapter V Society of Jews and Jewish State Chapter VI Conclusion

The Idea of the Jewish State Ben Halpern, 1969 Gedetailleerde geschiedenis van het zionisme de stichting van Israël en internationale positie van de staat tot ca 1965

The Jewish State Theodor Herzl, 1946 The Jewish State Theodor Herzl, 2013-06-26 It is astonishing how little insight into the science of economics many of the men who move in the midst of active life possess Hence it is that even Jews faithfully repeat the cry of the Anti Semites We depend for sustenance on the nations who are our hosts and if we had no hosts to support us we should die of starvation This is a point that shows how unjust accusations may weaken our self knowledge But what are the true grounds for this statement concerning the nations that act as hosts Where it is not based on limited physiocratic views it is founded on the childish error that commodities pass from hand to hand in continuous rotation We need not wake from long slumber like Rip van Winkle to realize that the world is considerably altered by the production of new commodities The technical progress made during this wonderful era enables even a man of most limited intelligence to note with his short sighted eyes the appearance of new commodities all around him The spirit of enterprise has created them

A Jewish State Theodor Herzl, 2015-03-04 Theodor Herzl A Jewish State Proposal of a modern solution for the Jewish question First published in February 1896 in Leipzig and Vienna by M Breitenstein's Verlags Buchhandlung Translated by Sylvie d'Avigdor and Jacob De Haas 1917 Vollständige Neuauflage Herausgegeben von Karl Maria Guth Berlin 2015 Umschlaggestaltung von Thomas Schultz Overhage unter Verwendung des Bildes Illustration von Tim Tempelhofer Gesetzt aus Minion Pro 11 pt

Toward a New Israel Mordechai Nisan, 1992 This book represents an original interpretation of the state of Israel a Jewish political renaissance in the modern era It probes the meaning of Zionism in the historical context and examines critically the founding of the state its underlying principle themes and political orientation At root the analysis focuses on the secular ideological basis of Israel and the rejection in 1948 of any search for an authentic projection of the new state as a philosophical continuation of Judaism The book is organized primarily around the Jewish Arab completion and conflict in the land of Israel while the deeper philosophical and ideological topics provide a framework and context for Israel's collective political identity

Herzl's Vision Shlomo Avineri, 2017-03-14 Theodor Herzl had been a successful Viennese journalist and a less successful playwright with no political ambitions That changed in 1896 when he published The Jewish State The following year he convened a Zionist Congress in Basel Switzerland The Congress founded the Zionist Organization in order to establish a national home for the Jewish people in Palestine recognized and guaranteed by public international law As Herzl transformed himself in just a few years from writer and editor into the leader of an international political movement he learned politics and diplomacy on the run and to great effect In his efforts to gain broad support for his vision Herzl met with the Ottoman sultan the German emperor the king of Italy the pope British Russian and German ministers as well as a great number of other government and public opinion leaders of many European countries By

the time of his early death in 1904 at the age of forty four Herzl had transformed Jewish public discourse and made the idea of a Return to Zion into a reality albeit still a weak one in international politics

Theodor Herzl: the Jewish State (der Judenstaat) Theodor Herzl, 2017-01-31 No human being is wealthy or powerful enough to transplant a nation from one habitation to another An idea alone can achieve that and this idea of a State may have the requisite power to do so The Jews have dreamt this kingly dream all through the long nights of their history Next year in Jerusalem is our old phrase It is now a question of showing that the dream can be converted into a living reality For this many old outgrown confused and limited notions must first be entirely erased from the minds of men Dull brains might for instance imagine that this exodus would be from civilized regions into the desert That is not the case It will be carried out in the midst of civilization We shall not revert to a lower stage we shall rise to a higher one We shall not dwell in mud huts we shall build new more beautiful and more modern houses and possess them in safety We shall not lose our acquired possessions we shall realize them We shall surrender our well earned rights only for better ones We shall not sacrifice our beloved customs we shall find them again We shall nor leave our old home before the new one is prepared for us Those only will depart who are sure thereby to improve their position those who are now desperate will go first after them the poor next the prosperous and last of all the wealthy Those who go in advance will raise themselves to a higher grade equal to those whose representatives will shortly follow Thus the exodus will be at the same time an ascent of the class

THEODOR HERZL The Jewish State Theodor Herzl, 2018-10-10 The Jewish State was a political pamphlet written by Zionist political theorist and playwright Theodor Herzl and was originally published in German in February 1896 and in English later that year as translated by Sylvie d Avigdor The work outlines a solution for a Jewish state and is an important text in the early Zionist canon Wherein he argues that the best way to avoid anti Semitism in Europe would be to create an independent Jewish state and he advised that Jews purchase land in Palestine as first steps towards this goal

The Controversy of Zion Geoffrey Wheatcroft, 1996 After centuries of persecution and contempt European Jews were slowly emancipated in the nineteenth century This gave them a chance to become what they were never allowed to be before loyal citizens of the countries where they lived As the nineteenth century wore on however this emancipation proved to be an illusion The hatred once based on religion made way for a new and more insidious form of anti Semitism based on race and culture The Jew was still a stranger his position the more false and humiliating for his attempt to assimilate This was the Jewish Question to which at the end of the nineteenth century a drastic solution was proposed In 1896 Viennese journalist Theodore Herzl first coined the term Zionism for a movement to found a homeland where Jews could live free from his persecution In The Controversy of Zion Wheatcroft shows how Zionism proposed as an answer has instead raised many questions He examines in detail the debates over Jewish nationalism from the time of Herzl through Prime Minister Yitzhak Rabin s assassination in 1995 introducing a host of extraordinary characters Disraeli and Marx the early Zionists Hess and Herzl Jewish writers such as Karl Kraus anti Semites such as Belloc

military Zionists such as Jabotinsky and noble spirited teachers such as Judah Magnes Today there is a Jewish state which is a source of healing pride for millions of Jews but also a source of anxiety Should they defend the religious zealots and right wing settlers who play an ever larger part in Israeli life Or is Israel increasingly irrelevant to the fabulous success story of the Jews of America This engaging and original book illuminates the current conflicts in the Middle East and the continuing Jewish dilemma

The Jewish State Yoram Hazony,2009-04-30 In what may be the most controversial book on Zionism and Israel published in the last twenty years Yoram Hazony graphically portrays the cultural and political revolt against Israel s status as the Jewish state Examining ideological trends in academia literature media law the armed forces and the foreign policy establishment Hazony contends that Israelis are preparing themselves for the final break with the Jewish past and the Jewish future In a dramatic new reading of Israeli history Hazony uncovers the story of how Martin Buber Gershom Scholem Hannah Arendt and other German Jewish intellectuals bitterly fought against the establishment of Israel and later used the Hebrew University as a base for deposing David Ben Gurion and discrediting Labor Zionism The Jewish State is a must read for anyone concerned with Israel s present and future

A Jewish State Theodor Herzl,Sylvie D'Avigdor,2018-10-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Jewish State Theodor Herzl,1989 **Israel in History** Derek Penslar,2007-01-24 Covering topical issues concerning the nature of the Israeli state this engaging work presents essays that combine a variety of comparative schemes both internal to Jewish civilization and extending throughout the world such as modern Jewish society politics and culture historical consciousness in the twentieth century colonialism anti colonialism and postcolonial state building With its open ended comparative approach Israel in History provides a useful means of correcting the biases found in so much scholarship on Israel be it sympathetic or hostile This book will appeal to scholars and students with research interests in many fields including Israeli Studies Middle East Studies and Jewish Studies

A Jewish State Theodor Herzl,2015-02-26 **The Jewish State** Theodor Herzl,2019-11-19 In The Jewish State Theodor Herzl presents a compelling argument for the establishment of a sovereign Jewish nation articulating his vision in a series of essays that intertwine political theory with passionate advocacy Written in 1896 this foundational text of modern Zionism employs a clear and persuasive style that reflects Herzl s journalistic background weaving together sociopolitical analysis with a profound understanding of the Jewish

people's plight in Europe. The work responds to growing anti-Semitism and the pressing need for Jewish self-determination, positioning Herzl's proposals within the broader context of late 19th-century nationalism. Theodor Herzl, often hailed as the father of modern Zionism, was a Hungarian-born Jewish journalist and playwright whose own experiences with anti-Semitism deeply influenced his worldview. Witnessing the Dreyfus Affair in France galvanized Herzl's commitment to advocating for a Jewish homeland, leading him to convene the First Zionist Congress in 1897. His personal journey, coupled with his extensive research and networking with European leaders, shaped the ideas presented in *The Jewish State*. This seminal work is essential for those interested in Jewish history, nationalism, and political thought. Herzl's eloquent vision for a Jewish homeland not only paved the way for future diplomatic initiatives but also remains profoundly relevant in contemporary discussions surrounding identity, sovereignty, and the moral imperatives of nationhood.

British Jewry, Zionism, and the Jewish State, 1936-1956 Stephan E. C. Wendehorst, 2011-11-17

Stephan E. C. Wendehorst explores the relationship between British Jewry and Zionism from 1936 to 1956, a crucial period in modern Jewish history encompassing both the Shoah and the establishment of the State of Israel. He attempts to provide an answer to what at first sight appears to be a contradiction: the undoubted prominence of Zionism among British Jews on the one hand, and its diverse expressions ranging from aliyah to making a donation to a Zionist fund on the other. Wendehorst argues that the ascendancy of Zionism in British Jewry is best understood as a particularly complex but not untypical variant of the 19th and 20th century's trend to re-imagine communities in a national key. He examines the relationship between British Jewry and Zionism on three levels: the transnational Jewish sphere of interaction, the British Jewish community, and the place of the Jewish community in British state and society. The introduction adapts theories of nationalism so as to provide a framework of analysis for Diaspora Zionism. Chapter one addresses the question of why British Jews became Zionists; chapter two, how the various quarters of British Jewry related to the Zionist project in the Middle East; chapter three, Zionist nation-building in Britain; and chapter four, the impact of Zionism on Jewish relations with the larger society. The conclusion modifies the original argument by emphasising the impact that the specific fabric of British state and society, in particular the Empire, had on British Zionism.

Reviewing **The Jewish State**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. The Jewish State Introduction

In today's digital age, the availability of The Jewish State books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Jewish State books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Jewish State books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Jewish State versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Jewish State books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Jewish State books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Jewish State books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Jewish State books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Jewish State books and manuals for download and embark on your journey of knowledge?

FAQs About The Jewish State Books

1. Where can I buy The Jewish State books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Jewish State book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
