 of eating by Mrs Petia Raeva it is a Best Seller on the Bulgarian book market for 2011 The author is a MP of the 41st
 National Assembly of Republic of Bulgaria The charming lady is 35 years old and creates her own nutrition system diet which
 is a total hit in Bulgaria Thanks to that same diet she loses 30kg for the period of one year and two months and now she is
 an embodiment of beauty and political flair The successful nutrition system described by Mrs Raeva in a book with the title
 The joy of eating embodies in an emblematic way the weight lost enjoying the food and loving your family and your way of
 living The diet is very simple and has the basic rule of taking pleasure of each food as much as we can The diet being without
 frills is based on the philosophical principle of taking maximum pleasure and joy of every nutrient and that there is no way
 toward happiness but the happiness itself is the way The author reminds herself on a daily basis that everything in one's
 life including the eating habits is like a long list with targets and duties but by achieving them one wouldn't automatically
 reach ultimate gratification In the meantime analyzing the current level of satisfaction one reveals how unhappy is She
 implicates joy and happiness in every activity that she does instead of awaiting for it to happen or expecting the food to bring
 it to her Adopting the radical idea enough is enough she escapes the vicious circle more food more happiness by rearranging
