The Jury Its Role In American Society:

American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988

American Law Lawrence M. Friedman, Grant M. Hayden, 2016-11-21 This book provides an introduction to the American legal system for a broad readership Its focus is on law in practice on the role of the law in American society and how the social context affects the living law of the United States It covers the institutions of law creation and application law in American government American legal culture and the legal profession American criminal and civil justice and civil rights Clearly written the book has been widely used in both undergraduate and graduate courses as an introduction to the legal system it will be useful too to a general audience interested in understanding how this vital social system works This new edition follows the same basic structure as applied in the previous editions providing a thorough revision and reworking of the text This edition reflects upon what has happened in the years since the second edition was published in 1998 and how these events and evolutions have shaped our fundamental comprehension of the workings of the American legal system today

Crime, Delinquency and Justice Ramesh Deosaran, 2007 This reader presents fresh insights on the rapidly expanding and changing crime related problems in the Caribbean as well as provides information on new dimensions of crime and criminology that are occurring with increasing regularity A path breaking and comprehensive work Crime Delinquency and Justice A Caribbean Reader has come at a time when all societies in the Caribbean region are grappling with crime in all its forms and when the structure of the justice system on which all these societies are founded is being challenged to adjust to changes in society locally and internationally The work addresses both theoretical and practical issues indicated by the broad range of areas covered including Theorizing a Caribbean Criminology Juvenile Delinquency and Public Policy Domestic Violence and the Criminal Justice System Community Policing Police Styles and Use of Force Corrections Crime Statistics the Jury System Drug Trafficking Terrorism Social Upheaval and Political Violence and Human Trafficking Much of the contributions are research and data driven and overall have policy development as their focus This makes the volume suitable for courses in criminology and criminal justice at both the undergraduate and graduate levels as well as for specialist courses in various aspects of policing and law enforcement
