The Road Within James O'Reilly, Sean O'Reilly, Tim O'Reilly, 2011-12-27 The Road Within is a book of transformation of lessons learned maps drawn and burned and spiritual blessings bestowed by that great and hard teacher travel Learn what mystics and saints have always known that wondrous things await people who are in touch with themselves with the world and with God Authors featured in this very different kind of travel book include

Pohl, 2024-01-16 Hospitality is the heart of Christian ministry To the early Christians hospitality was central to the gospel mission This hospitality did not consist of entertaining neighbors but welcoming the stranger especially those who could not return the favor Yet despite urgent need hospitality has fallen by the wayside Christine Pohl s classic work Making Room first spoke to this issue in 1999 And it is just as relevant today with the refugee crisis the rise in homelessness and growing loneliness and isolation This revitalized edition with a new foreword and afterword by the author introduces the theology of hospitality to a new generation Pohl combines rich biblical and historical research with experience in contemporary Christian communities including the Catholic Worker L Abri Good Works Inc and others Pragmatic and thoughtful Pohl deals frankly with both the blessings and the boundaries of hospitality Readers will find a wealth of wisdom to revive authentic hospitality in their ministry

America Fred Setterberg, 1999 A portrait of the nation through tales of travelers who have traversed the breadth and depth of America the beautiful **Road-book America** Rowland A. Sherrill, 2000 Sketching the socially marginal ingenuous traveling characters common to both old and new versions Sherrill shows how the new American picaresque transforms the satirical aims of the original into an effort to map and catalog the immensity and variety of America **BOOK JACKET** *Beyond My Manor* Faizi O. Hashmi, 2015-06-15 Do not go where the path may lead go instead where there is no path and leave a trail Ralph Waldo Emerson The above words sowed the seeds of Beyond My Manor Believing in trying to make a difference rather than merely complaining about the state of things the author decided not to remain a silent spectator His book originated from the conviction that every person

through his acts and deeds directly or indirectly touches the lives of others If that touch is positive its multiplier impact on the society would be enduring and he has humbly tried that Many of the articles included in the book were published earlier in newspapers and magazines but have since been revised and updated While endorsing civic law awareness the author prescribes raising the bar of cost for violators of law He suggests intervention for the needy and seeks support for causes that would bring about a Change Essays have a wide angle including discussion on civil services governance integrity work ethics lack of nationalistic fervor ills of unplanned urbanization missing attention to civic responsibility and non adherence to civic laws etc But witty interludes are not neglected either which add flavor to the book Added to that is the authors selective reliance on Urdu and Hindi citations along with transliteration sharpening the message The incisive critical appraisals have been followed by suggested remedial action through citizen involvement This ensures that readers are not left in the limbo about what next

Making Room Chistine D. Pohl,1999-08-03 For most of church history hospitality was central to Christian identity Yet our generation knows little about this rich life giving practice
