The spellbinding Fairmile series continues as the fiercely independent Alinor and her family find themselves entangled in palace intrigue, political upheaval, and life-changing secrets in seventeenth-century England. It is 1685 and England is on the brink of a renewed civil war. King Charles II has died without an heir, and his brother James is to take the throne. But the people are bitterly divided, and many do not welcome the new king. Ned Ferryman cannot persuade his sister Alinor that he is right to return from America with his Pokanoket servant Rowan to join the rebel army. Instead, Alinor and her daughter Alys have been coaxed by the manipulative Livia to save the queen from the coming siege. The rewards are life-changing: the family could return to their beloved *Tidelands*, and Alinor could rule where she was once lower than a servant. Alinor's son is determined to stay clear of the war, but in order to keep his own secrets in the past, Livia traps him in a plan to create an imposter Prince of Wales, a surrogate baby to the queen. From the last battle in the desolate Somerset Levels to the hidden caves on the slave island of Barbados, this third volume of an epic story follows a family from one end of the empire to another to find a new dawn in a world which is opening up before them with greater rewards and dangers than ever before. A compelling and powerful story of political intrigue and personal ambition set between the palaces of London, the *Tidelands* of Foulmire, and the shores of Barbados.
