The Last Hour Study Guide Amir Tsarfati, 2023-07-25 As the last hour approaches it's time to topple misconceptions and discern God's plan. We all have questions about the end times. But as Israeli Christian and respected Bible teacher Amir Tsarfati explains, biblical prophecy is a mystery, not a secret. Understanding is available to anyone who takes the time to study it. Designed as a companion to the bestselling and eye-opening book *The Last Hour*, this study guide is full of thought-provoking reflection questions, discussion starters, Scripture studies, bonus reading material, and practical application. As the last hour approaches, rather than engaging in speculation and playing on people's fears, Amir poses real-life scenarios grounded in biblical truth and helps you explore biblical prophecy and its modern-day application and fulfillment in fresh and fascinating ways. Praise for *The Last Hour*: This timely book is a well-written, thrilling, thought-provoking, challenging, encouraging must-read. The Book of Signs Bible Study Guide Dr. David Jeremiah, 2019-03-19 One of the world's most beloved Bible teachers offers definitive teaching on biblical prophecy, the end times, and the apocalypse. Do you find yourself disheartened when you hear the news events of the day? Wars raging across the world. Crisis after crisis occurring in the homeland. Moral decay seemingly celebrated in the media outlets. Just when it seems things can't get any worse, they do. Thankfully, God has graciously filled His Word with signs of the future to help us understand His purpose and plans for us. In *The Book of Signs Study Guide*, bestselling author Dr. David Jeremiah examines the prophetic writings from the Old and New Testaments to help you cut through the confusion and give you insights about God's plan for humankind as the end times draw near. In this comprehensive thirty-one lesson study guide, you will explore what God's Word says about International Signs, the nations and regions that will play important roles as the final events of the age emerge. Cultural Signs: what will occur in societies and cultures around the world as we approach the end times. Heavenly Signs: what will happen to believers during this tumultuous time. Tribulation Signs: what will transpire during this seven-year period when Satan, the Antichrist, and the False Prophet unleash unspeakable horrors on the world. End Signs: what believers can look forward to experiencing when Jesus returns and God establishes His everlasting kingdom on earth. God has given us a firm understanding of what is really going on in the world and what will happen as we approach the end of the age. As you come to understand the truth about these
