This book started out to be just a culmination of the original 30 Christmas Letters and the stories surrounding them but in the end turned into much more encompassing story of our family and unfortunately my somewhat questionable life decisions and ongoing issues. Nothing to worry about here as I am and always have been a law abiding people loving hardworking person but sometimes my way of doing things has left many wondering just what the heck I was thinking. As for the book I think it is something that you will enjoy reading as it probably more attune to your own life's stories than you'll probably want to admit. Even when I die my picture will be somewhere in the back pages but with my luck it will probably be the one taken that night at the Lewiston Boy's Club and the headline won't be Loving Father and Husband Passes. It will read Keith Embarrasses Mother. So the next day I show up to grade school with one front tooth missing and my wrist all taped up and the teacher probably wondering what kind of torture I was being put through. But in actuality she probably had taught all three of my older brothers and just figured I was just learning to be one of them. You just gotta love my family. Another thing I have learned is that Sharon and I don't shop the same. I shop like this: Look like buy use Sharon shops like this: Look look like look look look like look like look look look really like buy return. Well I finally went home and the first night back Sharon fell off her crutches, dislocated one finger and broke another. Boy you'd think that with those crutches she'd been able to hop right over that deer lying on the floor. Maybe there is something to me making things worse. *The last christmas on earth* Andrea Lepri, 2019-10-15. The Sun seems to have suddenly decreed that Life on Earth must end. A team of scientists tries to awaken the last survivor of the Roswell's Ufo Crash, probably the only being that can help humanity to survive. An alien breed wants to take over the entire planet, a secret expedition into the Bermuda Triangle towards Atlantis is looking for the Key that opens the Celestial Tunnels. The son of Rockland's deputy who is fond of Egyptology disappears for thirty hours. When he returns home he remembers nothing, the race against time has begun. Humanity is in danger due to the increased activity of the Sun. Some scientists, flanked by Abel Parker, wake up the Gray, the last surviving alien who fell in Roswell. He is hibernated in a laboratory of Area 51 where Margareth Turner will ask him to help her decipher some disturbing mysteries. Harry, son of Deputy Sheriff James Robinson, disappears for thirty hours and when he returns home he remembers nothing. His bike shines with mysterious bluish dust, the same one that covers two

corpses found the next morning in the same area In the following days other mysterious events occur Harry acquires paranormal abilities James believes that someone is watching them aiming to kidnap his son again but he doesn't know that someone very close to him is plotting in the shadows The corpses begin to mummify but before the Coroner can perform a second autopsy the bodies disappear and with them every proof of their existence When everything seems to be back to normal the long awaited Lobster s Festival begins but a powerful virus hits the county and the much sought after answers come to the surface one by one The Earth enters an apocalyptic phase the first catastrophes send the entire Humanity into a panic The Grey explains to Margareth that an alien race the Pleiadians wants to take over the planet while Abel Parker claims that the Grey wants to conquer the Earth The President of the United States gives an ultimatum for the Grey to cooperate he is the only one able to open the Heavenly Door and save everyone with the Vimanas the ancient alien spaceships hidden in Tibet A lightning storm sends the systems of Area 51 into a tailspin Margareth and the Grey take advantage of it to escape and head to Egypt A futuristic submarine descends into the Bermuda Triangle to reveal its mysteries Neil Patterson adventurer Bryan West Aztec High Priest Pedro Ayala and Cain Parker are part of the crew The latter is in search of the Key that opens the Stargate a heavenly portal that allows you to travel through time and space and that is hidden in El Giza In the abysses Atlantis is perfectly preserved protected by a dome of energy The calamities increase some alien flying disks allies of the Grey try to save the people gathered in mass but are repulsed by the terrestrial air forces Harry the child prodigy the Grey and the Pleiadians are all in Egypt fighting for the possession of the Stargate while the planet and its inhabitants are dying Who is gonna win What's going to happen What will be of humankind Translator Mickey Perkins PUBLISHER TEKTIME
