The Last Straw:

The Last Straw Frederick H. Thury, Vlasta Van Kampen, 1999-10 Hoshmakaka a camel has been chosen to carry the wise men's gifts to the new baby king in Bethlehem. On his way he meets many people with gifts. Hoshmakaka fears his burden will become too great when he arrives he learns the meaning of his task. **The Last Straw** Covenant Communications, Incorporated, Paula Palangi McDonald, 2013-10-03 Winter squabbling in the McDonald household turns to a true celebration of the Christmas spirit when Mother revives an old holiday custom of doing favors in secret for other family members.

The Last Straw J. Mawek, 2017-04-25 In the not too distant future a natural disaster sneaks up on the international agency charged with observing and responding to climate change. Indications are topsy turvy as sea levels and tides are falling as opposed to rising. As the central characters are drawn into the disaster readers of *The Last Straw* get an up close look at how modern man deals with the challenges of a fluctuating planet and life threatening climate change. *The Last Straw* is also the story of how our social attitudes and values can surprisingly and dramatically change as our lives grow longer. It also explores new and future technology both realistically and in the realm of science fiction. On the lighter side it is a sea faring adventure involving an enigmatic man of great longevity skills and personality, a globe trotting couple who at times find themselves at odds and a long lost sibling with a dark past who brings them together. Geologists, climatologists, an oceanographer and a world class Elon Musk like technologist dealing with latent homosexuality round out the cast of characters. Paralleling the story's global climate change theme along with ideas of enhanced futuristic technology and communication capabilities the action extends from the eastern front of the Colorado Rockies to Falmouth Massachusetts, Andalusia, Spain, Zug, Switzerland and the Atlantic and Mediterranean waters of the Iberian Peninsula. **The Last Straw** Zoe Matthiessen, 2021-01-05 Meet Sippy the world's last plastic straw. Sippy a plastic straw who was used once and then discarded worries what will happen to him when he realizes he can't be recycled. As he flies, floats and flutters around the planet he meets animals who are struggling with the plastic problem. He chats with a raccoon with a six pack ring around his neck, a cardinal whose nest is made entirely of junk, turtles who confuse grocery bags with food, a hermit crab forced to live in a plastic cap and a startled duck who runs around with a chip bag on her head. Finally Sippy is swallowed by a hungry whale who is dining on ocean trash. Just when all hope seems lost he skyrockets to freedom and calls out, "Together we can fix this. Let's clean our world, let's try." Parents and teachers of children 7 to 10 years old can use Sippy's colorful adventure based on real examples of animals in our environment to raise awareness about the impacts of plastics on nature and to teach children about alternatives to single use plastics. *The Last Straw* Paula Palangi McDonald, 2007 illustrated fiction by Paula McDonald. **The Last Straw** Harold Titus, 2019-12-12 In *The Last Straw* Harold Titus presents a compelling narrative that explores themes of resilience, societal pressures and the frailty of human connection. Set against the backdrop of an economically strained setting, this poignant tale employs a realistic literary style that captures the complexities of youthful

angst and determination Titus deftly intertwines vivid characterizations with evocative descriptions creating a rich tapestry that reflects the struggles of adolescence intertwined with broader social commentary evoking the spirit of classic coming of age novels Harold Titus an accomplished author and educator draws upon his own rich experiences and insights to craft this noteworthy work Throughout his career Titus has been deeply involved in understanding the challenges faced by young people which informs the authenticity of his characters and their dilemmas His background in teaching and a passion for literature imbue his writing with a sense of purpose making *The Last Straw* not just a story but a reflection of the challenges that shape us This book is highly recommended for readers seeking a profound meditation on youth and resilience Titus's engaging prose invites reflection on the pivotal moments that define us Ideal for young adults and anyone who appreciates a nuanced exploration of personal growth *The Last Straw* stands as a testament to the enduring human spirit

The Last Straw William J. Smith, 2009-01-01 *The Last Straw* by William J Smith A Riveting Tale of Survival and Redemption readers into a suspenseful journey where resilience courage and the human will are put to the ultimate test With a gripping narrative filled with unexpected twists Smith weaves a tale that keeps readers on the edge of their seats blending emotional depth with thrilling suspense Absolutely mesmerizing The suspense had me hooked from the first page The character development was phenomenal and the plot twists were unexpected yet satisfying A must read for thriller lovers A gripping tale of resilience and redemption The pacing kept me engaged and the emotional depth added a powerful touch A little predictable in some areas but overall a fantastic read Smith has a way of weaving suspense and emotion seamlessly The mystery unraveled beautifully and the ending left me thinking about the story long after I finished Highly recommend The book had an intriguing premise and strong characters but at times the pacing felt uneven Some sections were incredibly engaging while others dragged slightly Still an enjoyable read for suspense lovers This book kept me on the edge of my seat The twists and turns were masterfully done and the psychological depth made it even more compelling Easily one of the best thrillers I've read this year

The Last Straw JaunKerra Sanders, 2017-07-07 This short mystery book captures the life of four teenagers Outside of school they have to deal with drugs violence rape prostitution and other issues Will they all survive or for someone will it be the last straw

The Last Straw Michael H Yeager, 2024-07-24 In life there comes a moment when we reach the tipping point where a wrong decision no matter how small spells disaster This moment is encapsulated in the proverb the straw that broke the camel's back In *The Last Straw* When God Says Enough Is Enough Dr Michael H Yeager delves deep into this powerful metaphor exploring how seemingly minor actions or decisions can lead to profound consequences when we persistently ignore God's warnings and guidance Drawing from a rich tapestry of biblical teachings personal experiences and the lives of renowned ministers Dr Yeager crafts a compelling narrative that serves as both a wake up call and a beacon of hope This book is a stark reminder that God's patience while vast is not infinite There is a point where He declares Enough is enough Through the pages of *The Last Straw* readers will embark on a journey of introspection and revelation They will

encounter stories of individuals who crossed the invisible line drawn in the sand These testimonies coupled with Dr Yeager s insightful commentary highlight the urgency of heeding God s voice before reaching the point of no return May this book serve as a divine warning to those who are teetering on the edge burdened by the cumulative weight of their choices The Last Straw is not just a book it is a call to action urging us to realign our lives with God s will before we experience that final decisive moment when He says Enough is enough Let these pages inspire you to listen to change and to find redemption before reaching the breaking point

The Improving State of the World Indur M. Goklany, 2007-01-19 Many people believe that globalization and its key components have made matters worse for humanity and the environment Indur M Goklany exposes this as a complete

myth and challenges people to consider how much worse the world would be without them Goklany confronts foes of globalization and demonstrates that economic growth technological change and free trade helped to power a cycle of progress that in the last two centuries enabled unprecedented improvements in every objective measurement of human well being His analysis is accompanied by an extensive range of charts historical data and statistics The Improving State of the World represents an important contribution to the environment versus development debate and collects in one volume for the first time the long term trends in a broad array of the most significant indicators of human and environmental well being and their dependence on economic development and technological change While noting that the record is more complicated on the environmental front the author shows how innovation increased affluence and key institutions have combined to address environmental degradation The author notes that the early stages of development can indeed cause environmental problems but additional development creates greater wealth allowing societies to create and afford cleaner technologies Development becomes the solution rather than the problem

Idioms and Ambiguity in Context Wiltrud Wagner,2020-11-09 The present study explores the aesthetic productivity of idiomatic ambiguity in children s literature Looking at the connection between context and understanding of idiomatic expressions in either their phrasal or their compositional reading the study investigates how ambiguity is activated if how and when it is perceived on the different levels of communication and how literary texts use this ambiguity in playful ways
