The Lies Contradictions Of The Bible:

The Lies and Contradictions of the Bible Hugo Martinez,2014-10-27 This book was written to open the eyes of all of those who believe they know the truth This book is to open their eyes *Demolishing Supposed Bible Contradictions Volume 1* Ken Ham,2010-11-01 One of the most popular misconceptions by people who have walked away from the Church and their faith is that the Bible contains errors or inaccurate accounts Many people also simply accept without question the claim by others that the Bible is full of contradictions Even more disturbing is that a growing number of Christians are unable to respond when presented with an apparent inconsistency in the Bible Now in a bold defense for the accuracy of Scripture Ken Ham leads a powerful team of contributors in providing core biblical truths to help refute claims regarding the inaccuracy of God s Holy Word *Demolishing Supposed Bible Contradictions* Addresses over 40 issues of contention in the Old and New Testaments including Genesis Exodus Deuteronomy Matthew John Acts and Revelation Contains vital and relevant context by Steve Fazekas Bodie Hodge Roger Patterson Stacia McKeever Gary Vaterlaus Dr Jason Lisle Paul F Taylor John Upchurch and Dr Georgia Purdom Equips you to accurately defend your faith while challenging secular or humanistic agendas With nearly two thirds of young people leaving the Church when they move from home there has never been a more important time to have a reasoned response for those who desire only to undermine your faith This book is a great starting point in teaching you how to think and then respond to false claims regarding the Bible It is imperative that believers are able to stand firm in their faith and have answers to the culture s attacks on the Bible *The True Face of the Antichrist* James Prince,2013-06 This book that you re holding in your hands will do what it was said about the two olive trees in Revelation and believe it what is written in it will torment the inhabitants of the earth just like it is described in the book of Revelation I am not a theologian but in this book you will find all the evidences all the necessary proofs which expose the true face of the antichrist the true face of the devil the one Jesus talked about in Matthew 13 39 And the enemy who sows them is the devil In this book you will also find the name of the beast finally Name that millions have tried in vain to identify The devil sowed the lies but we have believed in them despite all of Jesus and his disciples warnings and this causes our lost Only the key of the kingdom of heaven that Jesus gave to Peter the truth the word of God can save us Read very carefully 2 Thessalonians 2 10 They perish because they refused to love the truth and to be saved If you really have love for the truth you will read *The True Face of The Antichrist* to the end even though it is very shocking and troubling as you have never been but remember one thing it is for your own salvation I already have my salvation because I saw and I believed the truth and I have accepted it So I wish you the same joy the same happiness The truth that is in this book is a knife straight to the heart of the beast The more it will be sold and the more the truth will be known and accepted the more the beast will be destroyed What gives the power to the beast are the ignorance and the hypocrisy of its members The beast has its foundation on lies and this is why it will be destroyed by the truth by the word of God just like the prophecy says See 2 Thessalonians 2 8 And then the lawless one will

be revealed whom the Lord Jesus will overthrow with the breath of his mouth the word of God and destroy by the splendor of his coming James Prince **What We've Been Told about the Holy Bible Is a Lie And Here's the Proof** Reverend Doctor Terrance James Shaw,2024-06-06 If you read my book with an open mind and look up all the Bible references yourself to verify the veracity of the facts that I point out in the content of my book your attitude will never be the same again about what we've been told regarding the Holy Bible we have today as being God's Holy Spirit inspired infallible unaltered unerring Word of God It is not and I can prove it Within my book you will become a person enlightened to the real truth of the matter

...And the Lie Goes On... D. Alex Kouassi,2020-07-09 And the Lie Goes On By Alex Kouassi And the Lie Goes On is about Christianity and the Christian God What makes D Alex Kouassi's story interesting is that he is not an atheist He believes in the existence of a supernatural power a universal God but unlike Christians he does not claim to know about the God that he believes in except that He does not have a chosen people is emotionless and does not require offerings or worships He has no plans for anyone but rewards everyone on a merit basis What makes author D Alex Kouassi's message relevant is that it is realistic and commensurate with the world we live in today's world and not the world of 2000 years ago This book is unique because it approaches the issue concerning the existence of God differently It does not reject the existence of God but it makes the separation between God the universal God and the man made god of Christianity Kouassi hopes to convey that everything that happens during the course of our lives is entirely our choice and not the will of some supernatural being He hopes the reader can take away that instead of spending hours praying the application of very simple rules can have tremendous impact

Why I Have To Die Like Jesus And Louis Riel? James Prince,2014-06-11 Dozens of writers wrote about the life the death and the career of Louis Riel but they have mainly written about his political activities and his rebellions I will talk to you mainly about his relationship with God and that he had the same preoccupations as Jesus had in this world meaning to free his people from the slavery of sin and the slavery of religion and to lead his people to God Louis Riel understood just like Jesus did that religions mainly the one that has its head in Rome are a dreadful slavery and we definitely have to separate from them This is the reason the John A Macdonald's government pressed by the Christian churches found a way to eliminate him from this earth despite the protestations against this from all over So Louis Riel had to go through the same destiny as the one who inspired him Jesus of Nazareth and this is why I expect the same conclusion for myself because I do the same thing they did meaning opening the eyes of the blind Fortunately for the world and thanks to God a bit of salt and a gleam of light made their way to me So in one way I'll be able to continue the work of Jesus's disciples and this is what I'm doing with the help of my books

Biblical Contradictions Richard Ravenbrook,2025-01-21 This book undertakes a critical examination of internal contradictions within the Bible a task that demands both intellectual honesty and a profound respect for the text's enduring significance It acknowledges that the Bible is not a monolithic entity but a collection of texts composed over millennia reflecting diverse perspectives cultural contexts and literary styles The

inherent complexity of this collection gives rise to passages and narratives that seem to contradict each other creating internal tensions that have perplexed theologians and scholars for centuries This study will delve into these apparent inconsistencies systematically exploring narrative discrepancies moral ambiguities and theological challenges presented within the Bible's pages It is not a dismissal of faith but rather an invitation to engage with the text in a more rigorous and critical manner The aim is to equip readers with the tools to navigate the complexities of scripture to develop a more sophisticated understanding of biblical interpretation and to foster a deeper and more nuanced appreciation for the Bible's multifaceted legacy By presenting a critical analysis of internal contradictions this book seeks to stimulate a thoughtful and informed discussion pushing the boundaries of traditional interpretations and promoting a more robust understanding of faith It acknowledges the difficulties inherent in reconciling apparent contradictions and it explores various hermeneutical approaches that have been employed to grapple with these challenges Ultimately this book seeks to foster a more engaged critical and ultimately more fulfilling relationship with the Bible

The Nature of Consciousness, the Structure of Reality Jerry Davidson Wheatley, 2001 This book describes how understanding the structure of reality leads to the Theory of Everything Equation The equation unifies the forces of nature and enables the merging of relativity with quantum theory The book explains the big bang theory and everything else

The Big Lie, Exposed! Thomas L. Copping, 2013-02-05 As early as the first century the church believed there was a living church rapture Let us note the language of Paul to the Corinthian church in 15:36 Thou fool that which thou sowest Greek word means to strengthen is not quickened Greek word means to reanimate conjointly with except it die Paul tells the Corinthians that the living church is strengthened by Holy Spirit we shall be changed The dead in Christ shall be raised incorruptible This is one of many verses that prove the rapture theory is false theology This is why I named this book *The Big Lie Exposed* This book exposes the false teaching of the Christian churches for the past two thousand years I do this as instructed by Isaiah by putting precept upon precept line upon line here a little and there a little

Paradox and Contradiction in the Biblical Traditions Brayton Polka, 2021-03-19 The principal thesis that the author advances in this book is that paradox and contradiction constitute the two ways of the world Paradox represents the way of the people of the Bible and contradiction represents the way of all peoples who having lived without knowledge of the Bible have traditionally been known as gentiles or pagans The two ideas that are central to the biblical way of life as known historically by Jews Christians and Muslims are creation and covenant while the contradictory way of paganism has precisely been marked by the absence of these two concepts In his book the author distinguishes the paradoxical way of the world from the contradictory way of the world through the examination of principal texts of four of the most significant early modern European thinkers from the later sixteenth century to the earlier eighteenth century Montaigne Descartes Spinoza and Vico He shows that each of these four authors in distinctive yet fundamentally interrelated fashion provides us with profound insight into how absolutely different the paradoxical way of the world as biblical is from

the contradictory way of the world as found primarily and specifically in Greek and Roman antiquity **Love, Perversion or Just Nature?** James Prince, 2015-01-07 It is not always easy to know who is telling the truth you would tell me I can tell you that almost everything that is said or written can be verified One thing is sure and this is that everything I wrote about the word of God everything I wrote about what is from the Bible can be verified So I beg everyone and anyone to get back to me if I said and wrote anything that is not conformed to the scriptures I know perfectly that mistaking is human but I also know that the lie is diabolic and John Jesus brother said no lie comes from the truth See 1 John 2 21 I do not write to you because you do not know the truth but because you do know it and because no lie comes from the truth If you are happy for discovering the truth because of what you read in this book then tell everyone you can and if it is possible do it without risking your life because I wish you can do it for a long time This book contains enough information about the truth the word of God for anyone who wants to be a Jesus disciple to begin his or her mission Dont you ever forget the many Jesus warnings and mine though and remember that you will be flogged in the churches and this most likely unnecessarily May God bless you James Prince with the Jesus discipline A Jesus disciple has only one religion and this is the one he got from Jesus This means to go directly to God and the Father in heaven will receive you See Matthew 6 18 James Prince [The Unity of Content and Form in Philosophical Writing](#) Jon Stewart, Jon Bartley Stewart, 2013-09-12 This book is a creative original argument about the variety of forms of expression across the history of philosophy **The Human Faces of God** Thom Stark, 2011 Does accepting the doctrine of biblical inspiration necessitate belief in biblical inerrancy The Bible has always functioned authoritatively in the life of the church but what exactly should that mean Must it mean the Bible is without error in all historical details and ethical teachings What should thoughtful Christians do with texts that propose God is pleased by human sacrifice or that God commanded Israel to commit acts of genocide What about texts that contain historical errors or predictions that have gone unfulfilled long beyond their expiration dates In *The Human Faces of God* Thom Stark moves beyond notions of inerrancy in order to confront such problematic texts and open up a conversation about new ways they can be used in service of the church and its moral witness today Readers looking for an academically informed yet accessible discussion of the Bible's thorniest texts will find a thought provoking and indispensable resource in *The Human Faces of God* [Biblical Errancy](#) , **Answers Book For Teens Volume 2** Ken Ham, Bodie Hodge, Dr. Tommy Mitchell, 2012-07-01 Teens have big life questions and demand solid answers Our youth are on the front lines of a war of the worldviews To help them cement a biblical worldview the experts at Answers in Genesis offer the Answers Books for Teens volumes 1 and 2 In volume 2 teens will find answers to 15 questions relevant to today's culture including Don't fossils prove evolution What about abortion cloning and stem cells These things are good for society right Did creation really take just 6 days or did God use the big bang How can we be sure the 66 books of the Bible are the only ones from God Answers to these issues are paired with dynamic designs created to appeal to today's student This 96 page book makes a great study for youth ministries

small groups and family devotions It will be an excellent reference for church and family libraries
