aesthetic and social logics of a wide range of popular culture forms originating in Miami and Cuba from the 1970s through the 2010s They include the stand up comedy of performers like Alvarez Guedes festivals a media distribution network in Cuba called el paquete morning radio shows and the viral content of Los Pichy Boys among others This study illustrates the centrality of play in a community that has been described historically as angry and melancholic Diversi n contends that our understanding of the Cuban diaspora is lacking not in seriousness but in play By unpacking this archive Laguna explores our complex often fraught attachments to popular culture and the way it can challenge and reproduce normative cultural ideologies especially in relation to politics and race In the wake of the largest Cuban migration wave to the US in history Diversi n is crucial reading for those who seek to understand not only the Cuban American diaspora but cultural and economic life on the island Book jacket *A Dictionary of Slang and Unconventional English* Eric Partridge,1984 The definitive work on slang and unconventional English this edition is fully revised and updated by Paul Beale and includes some 500 new entries The dictionary gives a fully documented account of English slang over four centuries and will entertain and inform all lovers of the English language
