The Liturgy Trap The Bible Versus Mere Tradition In Worship:

The Liturgy Trap James B. Jordan, 2009-03 We hear all too often that someone has decided to leave the Evangelical Christian faith and to join the Church of Rome or Eastern Orthodoxy or High Anglicanism The lure is liturgy and tradition and since the Evangelical and Reformed churches so often have such poor worship it is not hard to understand the pull exercised by those churches that have a heritage of formality sobriety and beauty This cure however is far worse than the disease The answer to the weaknesses of Evangelicalism is not a turn toward the fallacies and errors of Rome Orthodoxy and Anglo Catholicism but a return to Biblical patterns of worship Just as there is true and false doctrine so there are true and false worship patterns In this book James B Jordan sorts out the true and the false in the area of worship practice discussing the cult of the saints the veneration of icons apostolic succession virginity and celibacy the presence of Christ at His Supper and the doctrine of tradition

The Liturgy Trap James B. Jordan, 1994-03-01 The Glory of Kings Peter J. Leithart, John Barach, 2011-09-01 Over the past several decades Reformed theologian and biblical scholar James B Jordan has produced a unique body of work His electrifying commentaries and essays on Scripture along with his penetrating writings on Trinitarian theology liturgics music and culture have inspired a growing number of pastors and theologians In this Festschrift Jordan s friends and associates celebrate his contributions by applying his methods and insights to a range of biblical theological liturgical and cultural questions The Glory of Kings aims to bring Jordan s work to the attention of a wider audience and to introduce the work of a scholar that R R Reno has called one of the most important Christian intellectuals of our day

Bible Matrix II: the Covenant Key Michael Bull, 2011-09-27 Do you ever wish someone could explain the Old and New Covenants in five easy steps Behind every one of Gods covenants with man is a five fold legal treaty God introduces Himself and defines the relationship the methods the possible outcomes and the future But Gods covenants arent just legal treaties theyre personal Covenant is Gods method of maturing man Every covenant is a grand quest for the bittersweet wine of Gods kingdom but that cup is only for faithful servants men who are willing to be broken first like bread This simple five fold pattern finds its origin deep in the heart of the Trinity It not only shapes the speeches of God but its also the structure behind every story in the Bible The Covenant Key unlocks every door Creation in Six Days James B. Jordan, 1999 Creation in Six Days offers an exegetical literary and theological defense of the traditional interpretation of the Genesis account of six day creation Jordan s account is primarily designed to answer any approach to the text of Genesis such as the increasingly popular Framework Hypothesis that pits the text s literary features against its historical and narrative sense Beyond his exegetical critique of several prominent positions Jordan offers a constructive reading of the early parts of Genesis and also seeks to uncover the assumptions which attract people to the Framework Interpretation and similar views The explanation he says lies in the acceptance of many of the questionable assumptions of modern science on the part of most Christians today coupled with the pervasiveness of a gnostic or nonhistorical attitude toward the Christian faith The Lord's Service Jeffrey

J. Meyers, 2003 *The Lord's Service* is a description and defense of covenant renewal worship **An Annotated Bibliography of Church Music** Jason M. Runnels, 2003 The purpose and scope of this bibliography is to survey the literature concerning church music primarily in publications from 1980 to the present while including materials that have been published and serve as primary resources earlier than that The emphasis is on Protestant church music largely those published in the English language The selected lists include over 700 titles and contain citations with annotations of reference works and bibliographies The annotations offer an indication of the scope content and special features of each work This study will fill the research and reference needs of music students scholars and church musicians as well as providing research and college libraries with a reference for building their church music collections Anfang und Ende von 'Christian Reconstruction' 1959-1995 Thomas Schirrmacher, 2001 **Paperbound Books in Print 1995** Reed Reference Publishing, 1995-12 *Books in Print*, 1991 *Symbol and Art in Worship* Luis Maldonado, David Noel Power, 1980 *Art in the liturgy* Luis Maldonado The content of Eastern iconography Constantin Kalokyris Gestures symbols and art in liturgical expression Aidan J Kavanagh Christian art of the oppressed in Latin America Enrique Dussel Freedom of bodily expression in the African liturgy Boka Di Mpasi Londi Symbols in Christian worship food and drink Cyrille Vogel Unofficial eucharistic prayers an appraisal Jean Pierre Jossua What has literature to say to liturgy Michael Paul Gallagher Image culture liturgy Crispino Valenziano Liturgical music after the second Vatican Council Bernard Huijbers The rediscovery of the role of movement in the liturgy A Ronald Sequeira **Chambers's Encyclopaedia**, 1896

book that is properly and profoundly ecumenical Christians from all communions who take seriously the identity and nature of the church will learn from Hart's analysis of the complex arrangement under God of cult and culture form and content church and state praise and proclamation cross and crown Hart reminds us that the chronicles of the people of God always offer encouragement to strengthen feeble arms weak knees and lazy minds KEN MYERS host and producer of the Mars Hill Audio Journal Hart's book combines world class scholarship with keen social and ecclesiastical awareness and should be read and reread by those who want to transmit the piety and ethos of the Reformed tradition to the next generation TERRY L. Ever Ancient, Ever New Winfield Bevens, 2019-03-05 For many years now the church in North America has heard figure after figure concerning the steady flow of young people leaving the church In the midst of these troubling figures there remains a glimmer of hope for these youth as they transition into young adults Ever Ancient Ever New tells the story of a generation of younger Christians from different backgrounds and traditions who are finding a home and a deep connection in the church by embracing a liturgical expression of the faith Author and teacher Winfield Bevens introduces you to a growing movement among younger Christians who are returning to historic creedal and liturgical reflections of Christianity He unpacks why and how liturgy has beckoned them deeper into their experience of Jesus and what types of churches and communities foster this convergence of old and new Filled with stories illustrating the excitement and joy many young adults have found in these ancient expressions of Christianity this book introduces you to practices and principles that may help the church as it seeks to engage our postmodern world
