Asian Home: Situating Self in Western Women's Select Travel Narratives Dr. Devika S, 2023-03-09 How did the West's countercultural notions widen their zeal and zest onto the Himalayas How did Nepal turn out to be a safe haven for Western women who made their travels to different Asian countries With no direct traces of colonialism the opening of Nepal to foreigners after 1951 offered travelers a new destination for imbibing Eastern spiritual traditions The post War condition was fertile for several radical movements Many people found solace in traveling to escape from the brutal after effects of the Second World War The socio political and economic conditions of Europe and America post World War II necessitated the need to travel to overcome the trauma of the war For women travel became the means of empowerment and at the same time a spiritual endeavour The knowledge and understanding of theology and other spiritual knowledge led many travelers to be part of the hippie trail in which Nepal is the final destination This book offers a fresh outlook to women's perceptions of a second home in a foreign land

Religion, the Body, and Sexuality Nina Hoel, Melissa Wilcox, Liz Wilson, 2020-09-10 How does religion relate to bodies and sexualities Many people would answer simply through repression but the relationship is much more complicated than that While many religions draw boundaries between what they consider to be appropriate and inappropriate use of the human body especially in the realm of sexuality the same religions often celebrate human sexuality and even expect sexual partners to provide each other with sexual pleasure Celibacy too is more

than just repression and sometimes it is even seen as providing the practitioner with great spiritual power in other settings the sex act itself is understood to provide this power Religion the Body and Sexuality offers students and general readers a sophisticated and accessible exploration of the connections between religion sexuality and the body through case studies and overviews in the following thematic chapters Celibacy Regulation Controversy Violence Innovation Instrumentalization Ecstasy Each chapter includes suggestions for further reading questions for further thought and a list of relevant media resources This engaging book is an excellent addition to introductory courses on religion or sexuality and is a much needed new volume for advanced courses on the intersections of these areas of human experience

Accidental Gods Anna Della Subin, 2021-12-07 NAMED A BEST BOOK OF THE YEAR BY ESQUIRE THE IRISH TIMES AND THE TIMES LITERARY SUPPLEMENT SHORTLISTED FOR THE PEN HESSELL TILTMAN PRIZE A provocative history of men who were worshipped as gods that illuminates the connection between power and religion and the role of divinity in a secular age Ever since 1492 when Christopher Columbus made landfall in the New World and was hailed as a heavenly being the accidental god has haunted the modern age From Haile Selassie acclaimed as the Living God in Jamaica to Britain's Prince Philip who became the unlikely center of a new religion on a South Pacific island men made divine always men have appeared on every continent And because these deifications always emerge at moments of turbulence civil wars imperial conquest revolutions they have much to teach us In a revelatory history spanning five centuries a cast of surprising deities helps to shed light on the thorny questions of how our modern concept of religion was invented why religion and politics are perpetually entangled in our supposedly secular age and how the power to call someone divine has been used and abused by both oppressors and the oppressed From nationalist uprisings in India to Nigerian spirit possession cults Anna Della Subin explores how deification has been a means of defiance for colonized peoples Conversely we see how Columbus Cortés and other white explorers amplified stories of their godhood to justify their dominion over native peoples setting into motion the currents of racism and exclusion that have plagued the New World ever since they touched its shores At once deeply learned and delightfully antic Accidental Gods offers an unusual keyhole through which to observe the creation of our modern world It is that rare thing a lyrical entertaining work of ideas one that marks the debut of a remarkable literary career

Love and Death in Kathmandu Amy Willesee, Mark Whittaker, 2014-05-27 On June 1 2001 the heir to the Nepalese throne Crown Prince Dipendra donned military fatigues armed himself with automatic weapons walked in on a quiet family gathering and without a word mowed his family down before turning a gun on himself But Dipendra did not die immediately and while lying in a coma was declared king He was now a living god Award winning journalists Amy Willesee and Mark Whittaker set out to understand what could have led to such a devastating tragedy one that fascinated and appalled the world Exploring Kathmandu and other parts of the kingdom they conducted exhaustive interviews with everyone from Maoist guerillas to members and friends of the royal family gaining insight into the people involved in and the events behind the massacre At the heart of the story is the love

affair between Dipendra and the beautiful aristocrat Devyani Rana whom he was forbidden to marry Culminating their portrait of Nepal is a chilling reconstruction of the events of that fatal day As conspiracy theories circulate and rebels threaten to topple the monarchy the future of this small Himalayan kingdom promises to be as tumultuous as its past Revealing a country where the twenty first century mingles uneasily with the fourteenth Love and Death in Kathmandu is both an enlightening portrait of a place that is a world apart and a riveting investigation of an incredible crime *Around the World in Fifty Sites!* Susan Battersby,2019-03-15 Many people create a bucket list of things to do before they die But how many of these are chosen by other people in particular by the British public In 2002 the BBC aired a programme entitled Fifty places to see before you die a list of cities natural wonders and ancient sites chosen as the best places to see from around the world This hour long programme changed my life I met my husband Richard on holiday in Venezuela in 2000 and like everybody else we would trawl through the travel brochures looking for inspiration for our holidays After watching this television programme I made the decision that we would make every effort to visit all the fifty sites listed It took us twelve years to complete our journey and this is my story based on your chosen itinerary **The Heart of the World** Ian Baker,2006-05-02 The myth of Shangri la originates in Tibetan Buddhist beliefs in beyul or hidden lands sacred sanctuaries that reveal themselves to devout pilgrims and in times of crisis The more remote and inaccessible the beyul the vaster its reputed qualities Ancient Tibetan prophecies declare that the greatest of all hidden lands lies at the heart of the forbidding Tsangpo Gorge deep in the Himalayas and veiled by a colossal waterfall Nineteenth century accounts of this fabled waterfall inspired a series of ill fated European expeditions that ended prematurely in 1925 when the intrepid British plant collector Frank Kingdon Ward penetrated all but a five mile section of the Tsangpo s innermost gorge and declared that the falls were no more than a religious myth and a romance of geography The heart of the Tsangpo Gorge remained a blank spot on the map of world exploration until world class climber and Buddhist scholar Ian Baker delved into the legends Whatever cryptic Tibetan scrolls or past explorers had said about the Tsangpo s innermost gorge Baker determined could be verified only by exploring the uncharted five mile gap After several years of encountering sheer cliffs maelstroms of impassable white water and dense leech infested jungles on the last of a series of extraordinary expeditions Baker and his National Geographic sponsored team reached the depths of the Tsangpo Gorge They made news worldwide by finding there a 108 foot high waterfall the legendary grail of Western explorers and Tibetan seekers alike The Heart of the World is one of the most captivating stories of exploration and discovery in recent memory an extraordinary journey to one of the wildest and most inaccessible places on earth and a pilgrimage to the heart of the Tibetan Buddhist faith *Indian National Bibliography* B. S. Kesavan,2016 *Jasmins in Cowpads* Penny & Stuart McFarlane,2015-03-20 Travelling the world from your armchair Travel journal recording the experiences of travelling the world in your fifties This book has been written in response to a demand for information based on our personal experience of travelling the world in our fifties It is not a book about staying in

good hotels in pleasant places using trouble free transport but rather about doing what many of us as fifty or sixty somethings wished we could have done in our twenties This is then how Jasmins in Cowpads differs from the normal travel guide In a series of brief but colourful snapshots it offers a first hand account of a journey around India and Nepal from Thailand down through Malaysia and Singapore up the east coast of Australia New Zealand Fiji and Mexico returning via the US With thought provoking reflections and humorous observations it invokes the sights sounds and smells of our sometimes amazing sometimes appalling experiences en route and then provides a page of factual information on how to do it yourself

Diplomatic Baggage Brigid Keenan,2011-03-17 When Sunday Times fashion journalist Brigid Keenan married the love of her life in the late Sixties little idea did she have of the rollercoaster journey they would make around the world together with most things going horribly awry while being obliged to keep the straightest face and put their best feet forward For he was a diplomat and Brigid found herself the smiling face of the European Union in locales ranging from Kazakhstan to Trinidad Finding herself miserable for

the first time in a career into which many would have long ago thrown the towel she found herself asking during a farewell party for the Papal Nuncio was it worth it As this stream of it really happened to me stories shows it most certainly was if only for our vicarious bewilderment at how exactly you throw a buffet dinner during a public mourning period in Syria remain viable as a fashion journalist when taste wise you are three seasons out of it and geographically a world away make people believe that there are actually terrible things going on in paradise be a good mother and save some of the finest architecture in Damascus and Brussels from demolition seemingly all simultaneously
