The Book on the Shelf of Love, M.V.Tuck, 2022-06-21 The Book on the Shelf of Love is a historically sound declaration of recycled truths and hidden crumbs that have fallen from past writers Christian history overlooked and ignored The gospel should be simple and what is being revealed goes directly against our traditional biblical teaching But with the same teaching this work brings out truth that has been buried People want the truth Five hundred years later and here comes the reformation that Luther or Calvin never finished For centuries we have hid covered up and swept under the rug profound information about the Bible now to interpret complex language of scholars uncovering important biblical truths Truth that has been left behind that has been erased for centuries that has left us with unanswered questions and important details that could determine the fate of a person's soul God does not need us to take up for Him However Christianity has become so complex Christianity its doctrines leaders and their agenda plague Christians with doctrinal complexities and with such a wealth of biblical and historical records most Christians still do not know enough God's moral law has been left behind where men have corrupted the principles of the gospel with messages of passed down traditions distorted teachings and doctrinal unity This is a real life reformation uncovering truth to correct the mistakes of past generations improving the conditions of the church strengthening the body of Christian believers and opening the Christians eyes to the truth being told This is an inspired revelation that goes against man made doctrines where churches have become comfortable and complacent The world is changing and while we think we are in a relaxed position in Christ we are under attack in a spiritual battle for our lives This

is an inspired revelation that will educate and warn the reader to serve the Lord God with all our mind **The Way of Love (Willamette Brides Book #2)** Tracie Peterson, 2020-06-02 Faith Kenner is pursuing her dream to become a doctor at Willamette University's medical college so she can use her gift for healing to help those in need especially the native populations forced onto reservations and then neglected When she meets Andrew Gratton a handsome riverboat captain who has been injured on his ship she uses her skills to tend his wound and a friendship grows between them Andrew admires her strength and willingness to stand her ground and Faith appreciates his intelligence and compassion But Faith holds a secret that means their friendship can never become anything more so she must bury her feelings for Andrew as best she can When her fellow students put together lectures to speak out against Oregon's racist laws and policies Faith is eager to participate But some powerful men have other plans for their state and soon Faith is caught in the middle of a plot to push the local Indian tribes to rebel As she and Andrew fight for the rights of others their love for each other grows Can they trust that God has a way toward love for them or will her secret stand in the way of their one chance for true happiness *The Book of Prudential Revelations, or, The Golden Bible of Nature and Reason: and the Confidential Doctor at Home* A.
