*The Man who was Thursday* Gilbert Keith Chesterton, 1908 The Supreme Anarchists Council is dedicated to overthrowing the world order To keep their identities a secret each of the members has been named after a day of the week Gabriel Syme an eccentric poet is recruited by Scotland Yard to infiltrate the group He tracks down the six other men and manages to win a place on the council But after a bizarre twist of events Syme quickly realizes that appearances are never what they seem in the dangerous world of the political underground

**The Man Who Was Thursday** G. K. Chesterton, 2011-05-31 G K Chesterton's *The Man Who Was Thursday* is a thrilling novel of deception subterfuge double crossing and secret identities and this Penguin Classics edition is edited with an introduction by Matthew Beaumont The Central Anarchist Council is a secret society sworn to destroy the world The council is governed by seven men who hide their identities behind the names of the days of the week Yet one of their number Thursday is not the revolutionary he claims to be but a Scotland Yard detective named Gabriel Syme sworn to infiltrate the organisation and bring the architects of chaos to justice But when he discovers another undercover policeman on the Council Syme begins to question his role in their operations And as a desperate chase across Europe begins his confusion grows as well as his confidence in his ability to outwit his enemies unravelling the mysteries of human behaviour and belief in a thrilling contest of wits But he has still to face the greatest terror that the Council has a man named Sunday whose true nature is worse than Syme could ever have imagined In his introduction Matthew Beaumont examines the book's themes of identity and confrontation and explores its intriguing title This edition also contains a chronology notes and suggested further reading G K Chesterton 1874-1938 attended the Slade School of Art where he appears to have suffered a nervous breakdown before turning his hand to journalism A prolific writer throughout his life his best known books include *The Napoleon of Notting Hill* 1904 *The Man Who Knew Too Much* 1922 and the Father Brown stories Chesterton converted to Roman Catholicism in 1922 and died in 1938 If you enjoyed *The Man Who Was Thursday* you might enjoy Joseph Conrad's *The Secret Agent* also available in Penguin Classics The most thrilling book I have ever read Kingsley Amis author of *Lucky Jim*

*The Man Who Was Thursday* G. K. Chesterton, 2011-04-07 It is very difficult to classify *THE MAN WHO WAS THURSDAY* It is possible to say that it is a gripping adventure story of murderous criminals and brilliant policemen but it was to be expected that the author of the Father Brown stories should tell a detective story like no one else On this level therefore *THE MAN WHO WAS THURSDAY* succeeds superbly if nothing else it is a magnificent tour de force of suspense writing However the reader will

soon discover that it is much more than that Carried along on the boisterous rush of the narrative by Chesterton's wonderful high spirited style he will soon see that he is being carried into much deeper waters than he had planned on and the totally unforeseeable denouement will prove for the modern reader as it has for thousands of others since 1908 when the book was first published an inevitable and moving experience as the investigators finally discover who Sunday is **The Man Who Was Thursday** G.
