Transportation Manual ,1996 *A Passion for Nature* Donald Worster,2008-10-21 I am hopelessly and forever a
mountaineer John Muir wrote Civilization and fever and all the morbidity that has been hooted at me has not dimmed my
glacial eye and I care to live only to entice people to look at Nature s loveliness My own special self is nothing In Donald
Worster s magisterial biography John Muir s special self is fully explored as is his extraordinary ability then and now to get
others to see the sacred beauty of the natural world A Passion for Nature is the most complete account of the great
conservationist and founder of the Sierra Club ever written It is the first to be based on Muir s full private correspondence
and to meet modern scholarly standards Yet it is also full of rich detail and personal anecdote uncovering the complex inner
life behind the legend of the solitary mountain man It traces Muir from his boyhood in Scotland and frontier Wisconsin to his
adult life in California right after the Civil War up to his death on the eve of World War I It explores his marriage and family
life his relationship with his abusive father his many friendships with the humble and famous including Theodore Roosevelt
and Ralph Waldo Emerson and his role in founding the modern American conservation movement Inspired by Muir s passion
for the wilderness Americans created a long and stunning list of national parks and wilderness areas Yosemite most
prominent among them Yet the book also describes a Muir who was a successful fruit grower a talented scientist and world
traveler a doting father and husband a self made man of wealth and political influence A man for whom mountaineering was
a pathway to revelation and worship For anyone wishing to more fully understand America s first great environmentalist and
the enormous influence he still exerts today Donald Worster s biography offers a wealth of insight into the passionate nature
of a man whose passion for nature remains unsurpassed **Backpacker** ,1994-03 Backpacker brings the outdoors straight
