What are your short term professional goals

Setting goals allow one to develop a direction for life; it helps one to boost the self-confidence, motivation and formulate clear ways that will ensure the plans are achieved as a set. Creating short-term goals helps one in achieving long-term goals. By efficient and effective planning one can develop from achieving the short-term success to enjoying long-term success. In this case, setting short-term professional goals will help me in visualizing a clear path that I will follow, so that achieve the career objectives that I have set.

By setting the short-term goals, I will be able to get the right training that I need to achieve the strategies that I have set for my career. Through training, I will be able to improve the knowledge and skills that I have on my professional career, attending a course that has been developed for my strategic career development will help in equipping me with the required knowledge. I will start by attending a workshop or a session which will help me in developing the necessary skills that I will use in my career path.

The short-term goals will also help me in conducting a practice so that I can perfect my career. It is only through training that I will sharpen the skills that I have and improve on my competencies to achieve the required success in my career. During practice, I will note the failures that I make and work towards improving them. This way I will reach the long-term success in my career. I will try to complete the assignments that are in the context of the course I take or that I am assigned. I will finish the tasks promptly and ensure that they are done efficiently. Through practice, I will also be able to know the types of skills that I am required to have when completing some specific tasks. This way I will be able to perfect my skills and also perfect the way I handle some of the functions to develop my career efficiently.

I will develop short-term goals that will help me in getting the required feedback to improve my career. For instance, I will ensure that I complete any form of assessment that is in my coursework or the course's context so that I can be able to get feedback from my tutor. Through this feedback, I will be able to improve on the particular points that the tutor notes. In understanding the required feedback, I will also ask those who have already excelled in my strategic career to tell me what they did to succeed. This way, I will be able to use the insights that I get from their feedback to improve my path to a successful career. Through such feedback, I will also be able to develop a definite way for success; I will be able to create a clear plan which will help me succeed and that which will help me improve my skills to achieve the best in my career
