

Sample Persuasive Essay

**Directions: Read the following essay. Along with the overhead, breakdown the structure of the essay. ALL PERSUASIVE ESSAYS NEED TO LOOK LIKE THIS!!!*

As the teacher calls on Jimmy to give his opinion on the topic the class was discussing, she can't help but notice the incredible wad of bright pink chewing gum in his mouth. Not only will it be hard to understand Jimmy, but also she'll be lucky if Jimmy can get out his thoughts without choking on the mouthful! This is only one of the many concerns teachers face daily as chewing gum continues to show up in classrooms, despite the school rule that it is banned. Students should not chew gum in class because it acts as a distraction to others, it is a health issue, and it is a safety issue. If students continue to disregard the rules, consequences will need to become more severe.

Chewing gum acts as an incredible distraction to students and teachers. It has become a common practice for some students to be known as "suppliers" of gum. These students will bring multiple packs of gum to school to share with their friends and classmates. It seems to be quite an epidemic when one student asks the "supplier" for a piece of gum. Suddenly everyone feels the need to do the same thing. This can take away valuable class time and makes many students lose focus on the topic being discussed. In addition, once the students have gum it appears that the need arises to chew this gum with such force that one would think it was the last piece of gum on earth. The open-mouthed, "chewing like a cow" that occurs is absolutely the most annoying thing in the world! The distraction factor alone is enough for most teachers to want gum out of their classrooms.

Larson,2016-08-10 Instructional Strategies for Middle and High School Social Studies Methods Assessment and Classroom Management is an exciting methods based text that integrates appropriate management and assessment techniques with seven distinct teaching strategies Writing explicitly for pre service social studies teachers veteran teacher educator Bruce E Larson offers detailed descriptions of a range of instructional strategies along with guidelines for deciding how and when to use each Part I offers the foundations for teaching and learning in a social studies classroom and explores contextual theoretical and policy factors that all teachers need to consider before entering the classroom Part II delivers a range of comprehensive strategies for providing instruction that is appropriate for particular lessons student abilities and classroom environments The practical strategies in Part II build upon the learning theories described in Part I positioning Instructional Strategies for Middle and High School Social Studies to be the go to all inclusive teacher s guide to the social studies classroom New to this Edition A list of goals before each chapter

presents an overview of the chapter's content focus and provides an outline for the chapter review. Extensively revised Part I chapters 1-4 provides an updated review of national standards developed for teaching history, geography, civics, and economics. In-depth applications of the Common Core State Standards for the social studies are also explored. New Reality Check feature provides directions for integrating field-based experiences into the chapters and contextualizes the ideas in the book for a classroom setting. Each chapter in Part II chapters 5-11 has been expanded to include a section labeled Enhancing Student Learning with Technology offering websites, links, and other resources for integrating recent technologies into the classroom. Chapters 5-11 include a new Making Your Lesson More Meaningful for ELLs feature which provides ideas based on current research and theories about learning language for engaging ELLs specific for each instructional strategy. Expanded discussion of the Understanding by Design model equips teachers to design learning experiences that promote student understanding by intentionally designing what happens in the classroom and developing authentic formative assessments of student learning.

Everyone Can Write Peter Elbow, 2000-01-27. With *Writing without Teachers* OUP 1975 and *Writing with Power* OUP 1995. Peter Elbow revolutionized the teaching of writing. His process method and its now commonplace free writing techniques liberated generations of students and teachers from the emphasis on formal principles of grammar that had dominated composition pedagogy. This new collection of essays brings together the best of Elbow's writing since the publication of *Embracing Contraries* in 1987. The volume includes sections on voice, the experience of writing, teaching and evaluation. Implicit throughout is Elbow's commitment to humanizing the profession and his continued emphasis on the importance of binary thinking and nonadversarial argument. The result is a compendium of a master teacher's thought on the relation between good pedagogy and good writing; it is sure to be of interest to all professional teachers of writing and will be a valuable book for use in composition courses at all levels. *Read and Succeed* Terry

Husband, 2013-12-05. Recent national achievement data reveal significant outcome disparities between African American boys and other student groups by grade 4. This issue has drawn much attention from teachers, parents, researchers, and policy makers all across the United States. Of America: African American boys are not homogeneous in nature. Consequently *Read and Succeed: Practices to Support Reading Skills in African American Boys* begins by identifying a host of potential factors that contribute to reading disengagement and underachievement in African American boys in P-5 contexts. This book presents and discusses a multi-strategic framework for teachers, administrators, librarians, and parents to implement collaboratively to combat this issue. *Read and Succeed* additionally provides valuable and practical resources for teachers, administrators, and other school officials to use to increase reading engagement and achievement in African American boys.

Ready-To-Use Writing Proficiency Lessons and Activities Carol H. Behrman, 2003-12-29. An experienced teacher and author Carol Behrman helps students develop the sound foundation they need to become proficient writers throughout their lives. Included are a variety of easy-to-use reproducible activity sheets to provide review and application of basic language

skills as well as extensive practice in producing the types of writing called for in standardized tests The steps of the writing process are emphasized throughout Each set of activities is accompanied by detailed lesson plans and suggestions to the teacher for presenting and implementing the skills and concepts being addressed Each section is followed by a practice test focusing on the concepts and skills covered in the section plus answer keys and scoring guides with writing samples These practical tests will help students prepare for the types of questions they will be asked on actual tests

Assignments across the Curriculum Dan Melzer, 2014-05-15 In *Assignments across the Curriculum* Dan Melzer analyzes the rhetorical features and genres of writing assignments through the writing to learn and writing in the disciplines perspectives Presenting the results of his study of 2 101 writing assignments from undergraduate courses in the natural sciences social sciences business and humanities in 100 postsecondary institutions in the United States *Assignments across the Curriculum* is unique in its cross institutional breadth and its focus on writing assignments The results provide a panoramic view of college writing in the United States Melzer's framework begins with the rhetorical situations of the assignments the purposes and audiences and broadens to include the assignments genres and discourse community contexts Among his conclusions is that courses connected to a writing across the curriculum WAC initiative ask students to write more often in a greater variety of genres and for a greater variety of purposes and audiences than non WAC courses do making a compelling case for the influence of the WAC movement Melzer's work also reveals patterns in the rhetorical situations genres and discourse communities of college writing in the United States These larger patterns are of interest to WAC practitioners working with faculty across disciplines to writing center coordinators and tutors working with students who bring assignments from a variety of fields to composition program administrators to first year writing instructors interested in preparing students for college writing and to high school teachers attempting to bridge the gap between high school and college writing

Tools Students Need to Be Skillful Writers Phyllis Hostmeyer, 2012-10-23 *Diagram no more* inspire all your student writers Imagine leaving behind the drudgery of diagramming sentences Imagine instead joyful writers who are capable of revising their work and writing effectively By taking writing down to its basic building block a solid sentence and advancing from there students will develop confidence enjoy creating sentences and ultimately empower each other as writers Lessons for Grades 3 12 include A variety of sentence patterns presented in a logical sequence An explanation of each pattern's structure and conventions Reinforcement activities and sample sentences for each pattern Activities to develop the necessary instructional vocabulary As students become engaged in the process they will work toward Meeting the Common Core State Standards for Language Arts Understanding and using basic sentence structures Recognizing what makes a sentence effective Learning to put sentences together to write effective paragraphs This indispensable handbook serves as a blueprint for instruction and unit development by emphasizing the end goal preparing students to be effective writers Along the way all students including English language learners will gain the fluency and automaticity needed for effective daily writing and for

success on high stakes tests Hostmeyer provides the tools teachers need to make grammar instruction meaningful and engaging so students build the knowledge they need to craft not only sentences but strong pieces of writing that meet the demands of the Common Core Carol Gallegos Literacy Coach Hanford Elementary School District Hanford CA The author s knowledge of how students learn passion for finding ways to teach sentence patterns and willingness to share those strategies with the world all combine to make this a book that every writing teacher can use Norma Barber Language Arts Teacher Ukiah School District 80R Ukiah OR College Writing Bob*Star Publishing,2012-08-12 A complete college writing course in a single volume **Write Like this** Kelly Gallagher,2011 If you want to learn how to shoot a basketball you begin by carefully observing someone who knows how to shoot a basketball If you want to be a writer you begin by carefully observing the work of accomplished writers Recognizing the importance that modeling plays in the learning process high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers and how doing so elevates his students writing abilities Write Like This is built around a central premise if students are to grow as writers they need to read good writing they need to study good writing and most important they need to emulate good writers In Write Like This Kelly emphasizes real world writing purposes the kind of writing he wants his students to be doing twenty years from now Each chapter focuses on a specific discourse express and reflect inform and explain evaluate and judge inquire and explore analyze and interpret and take a stand propose a solution In teaching these lessons Kelly provides mentor texts professional samples as well as models he has written in front of his students student writing samples and numerous assignments and strategies proven to elevate student writing By helping teachers bring effective modeling practices into their classrooms Write Like This enables students to become better adolescent writers More important the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world *Comprehensive Curriculum of Basic Skills, Grade 6* ,2016-03-07 SIXTH GRADE Covers basic concepts such as equations volume writing expanded notation and more and develops the skills your child needs for grade level success INCLUDES Fun educational activities in phonics reading language arts writing and math plus review lessons teaching suggestions to extend learning and answer keys ALL INCLUSIVE This all in one comprehensive resource provides an entire curriculum of instruction that improves academic performance updated with relevant high interest reading passages and artwork HOMESCHOOL FRIENDLY This elementary workbook for kids is a great learning resource for at home or in the classroom and allows parents to supplement their children s learning in the areas they need it most WHY CARSON DELLOSA Founded by two teachers more than 45 years ago Carson Dellosa believes that education is everywhere and is passionate about making products that inspire life s learning moments The SEL Solution Jonathan C.
