Heaven's Gate George D. Chryssides, 2016-12-05 On March 26 1997 the bodies of 39 men and women were found in an

opulent mansion outside San Diego all victims of a mass suicide Messages left by the Heaven s Gate group indicate that they believed they were stepping out of their physical containers in order to ascend to a UFO that was arriving in the wake of the Hale Bopp comet The Heaven s Gate suicides were part of a series of major incidents involving New Religions in the 1990s as the new millennium approached Despite the major attention that Heaven s Gate attracted at the time of the suicides there have been relatively few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heaven s Gate documents All the material is expertly brought together under the editorship of George D Chryssides Heaven's Whisper Ardis Dick Stenbakken,2007 *Thundersticks* David J. Silverman,2016-10-10 David Silverman argues against the notion that Indians prized flintlock muskets more for their pyrotechnics than for their efficiency as tools of war Native peoples fully recognized the potential of firearms to assist them in their struggles against colonial forces and mostly against one another as arms races erupted across North America **Building Heaven's Ceiling** Joe Cline, His greatest accomplishment came after his greatest disappointment One of the founding fathers of the Renaissance Filippo Brunelleschi was more than an Italian designer Brunelleschi made his mark in architecture and construction In his early years sculpting was Brunelleschi s passion But after being passed over for a major commission he set his sights on architecture and changed the landscape of Italy as it is known today Brunelleschi s most prominent contribution the dome of Cathedral of Santa Maria del Fiore was the first of its kind paving the way for bigger and more elaborate domes to come His invention of machines to facilitate the construction of the dome allowed future structures to not only be imagined but to be erected as well With his imagination understanding of linear perspective focus on geometric principles and intellect for mathematics Brunelleschi influenced the rise of modern science and architecture worldwide *Fidelity* ,1990 *Lay Siege to Heaven* Louis De Wohl,1962 **Heaven's Gate** Ada M. Trotter,1886 **Heaven's Hammers** Steve Fillerup,2014-05-08 This memoir begins on the reservation of the White Mountain Apaches in Arizona when a tribal police officer is laid to rest after being assaulted and murdered by two suspected burglars The book concludes with the author s interrogation of a routine suspect in the case of a five year old girl who has gone missing for a week In between these events the author describes his career journey as an FBI special agent a journey that sometimes produces success and vindication for crime victims and sadly investigations ending in failure The author a rather sheltered son of religious parents navigates a troubled world of darkness crime and sin *First Things* ,1991

first Gospel **Heaven's Door** Cassandra Morphy,2021-06-01 Maya San Lucas had been lost in her dreamworld for the better part of five years Desparia was just a fantasy world for her to explore during stretches of boredom at school and at home Going to that world let her have adventures exploring secret locations and searching through towns and cities for loot to come away with The life of a thief was so much more exciting than high school especially with no friends to speak of After escaping the hell of Hell Maya and her friends had returned to the depths of the emperor s stronghold Some were emboldened by what they had seen more determined than ever to see the emperor deposed But Maya had brought her own demons with her on her return to Desparia As her demons stalked her Maya s newfound magic grows stronger making her more dependent than ever on her friends by her side And with more doors behind them than in front of them the group pushed on to their destination even as they experience some of their worse losses yet Jared didn t understand what was happening to him He was too young to know the power seated deep within him destroying whole towns around him But when he meets Celestia and her fae people he learns that he is a mage and starts to come to terms with what that meant As he sets out on his journey to rid the world of evil he starts seeing his own magic as part of the problem One that he was determined to rid the world of The only problem was how to do that without hunting down and killing every mage that ever lived
