Hanak, 2017-05-02 This major study is a comprehensive scholarly work on a key moment in the history of Europe the fall of Constantinople to the Ottoman Turks in 1453 The result of years of research it presents all available sources along with critical evaluations of these narratives The authors have consulted texts in all relevant languages both those that remain only in manuscript and others that have been printed often in careless and inferior editions Attention is also given to folk history as it evolved over centuries producing prominent myths and folktales in Greek medieval Russian Italian and Turkish folklore Part I The Pen addresses the complex questions introduced by this myriad of original literature and secondary sources The New Werner Twentieth Century Edition of the Encyclopaedia Britannica ,1907 The History of English Poetry Thomas Warton, 2024-08-27 Reprint of the original first published in 1840 A Catalogue of a Very Complete Collection of Books and Pamphlets Relating to the American Civil War 1861-5 and Slavery Francis Perego Harper, 1898 **Islands and Military Orders, c.1291-c.1798** Emanuel Buttigieg, Simon Phillips, 2016-05-06 At the heart of this volume is a concern with exploring levels of interaction between two particular objects of study islands on the one hand and military orders on the other According to Fernand Braudel islands are often brutally caught between the two opposite poles of archaism and innovation What happened when these particular environments interacted with the Military Orders The various contributions in this volume address this question from a variety of angles 1291 was a significant year for the main military orders uprooted from their foundations in the Holy Land they took refuge on Cyprus and in the following years found themselves vulnerable to those who questioned the validity of their continued existence The Teutonic Order negated this by successfully transferring their headquarters to Prussia the Knights Templar however faced suppression Meanwhile the Knights Hospitaller conquest of Rhodes assured both their survival and independence Islands are often by definition seen to be embodiments of insularity of an effort to be separate distinct cut off Military Orders are conversely international in scope nature and personnel the first international orders of the Church as they have often been described Therein lies the crux of the matter how did insular outposts and international institutions come together to forge distinct and often successful experiments Hospitaller Rhodes and Malta still impress with their magnificent architectural heritage but their success went beyond stone and mortar and the story of islands and military orders as will be clearly shown in this volume also goes beyond these two small islands The interaction between the two levels insulation and internationalisation and the interstices therein created spaces conducive to both dynamism and stability as military orders and islands adapted to each other s demands limitations and opportunities The Encyclopaedia Britannica ,1894 The Encyclopædia Britannica: A-ZYM Day Otis Kellogg, Thomas Spencer Baynes, 1903 The Encyclopædia Britannica ,1894 **The Translation of Violence in Children's Literature** Marija Todorova, 2021-11-29 Considering children s literature as a powerful repository for creating and proliferating cultural and

national identities this monograph is the first academic study of children's literature in translation from the Western Balkans Marija Todorova looks at a broad range of children's literature from fiction to creative non-fiction and picture books across five different countries in the Western Balkans with each chapter including detailed textual and visual analysis through the predominant lens of violence These chapters raise questions around who initiates and effectuates the selection of children's literature from the Western Balkans for translation into English and interrogate the role of different stakeholders such as translators publishers and cultural institutions in the representation and construction of these countries in translated children's literature both in text and visually Given the combination of this study's interdisciplinary nature and Todorova's detailed analysis this book will prove to be an essential resource for professional translators researchers and students in courses in translation studies children's literature or area studies especially that of countries in the Western Balkans
