The Goblin's Secrets Goblin Sachs,2019-08-18 In order to succeed in World of Warcraft Classic you will need a lot of gold In addition to the thousands of gold you will spend on your spells mounts gear enchantments and respecs you will also need to consistently purchase large quantities of consumables and utility items to stay competitive in serious raiding PvP Without enough gold you will always be outclassed by players who do have enough However accumulating gold is very difficult in World of Warcraft By the time The Burning Crusade was about to launch World of Warcraft WoW had 8 million active subscribers with likely millions more accounts that were created but stopped subscribing at some point Out of the millions of players who played the game there was not a single recorded instance of someone hitting the gold cap 215 000 gold on one character This means it is more common for someone to be a billionaire in America about 1 out of 600 000 than it is for someone to have 215 000 gold This is why I have compiled the most comprehensive optimal and practical guide on gold making in World of Warcraft Classic I played the original WoW through Wrath of the Lich King with a Hunter main and Druid alt and have played on 3 different vanilla WoW private servers where I have over 25 level 60 characters and amassed hundreds of thousands of gold among them My love of the game evolved past raiding and PvPing and I became consumed by the economic PvP competing against other goblins to earn more gold With WoW Classic s release I am happy to finally share everything I have learned about making gold This book will cover the most optimal and practical strategies for gold making while discarding the less optimal ones that are often repeated in popular guides This book will also include resources such a full list of level appropriate mobs to grind while leveling a full list of the most lucrative twink items in the level 19 and 29 brackets a full list of the most lucrative BoE limited supply vendors to camp a step by step action plan for the launch of Classic WoW and much much more
