All The Work You Shouldn't Do Ruby Cline, 2025-08-21 You'll do a lot of work at uni and get very little out of it. There's no limit to the amount of hours you could spend honing and perfecting an essay or revising for an exam. Academic work could eat up all of your time at university. How do you know when you've done enough? I did my degree differently. I deprioritised and reprioritised. I planned and plotted. I put my life before my books. I tried and tested every method I could for efficient reading, writing, and studying. And I'm here to help you do the same. In *All the Work You Shouldn't Do*, you'll learn how to get the most from your degree and make time for the things you want to pursue without letting stress take over. We'll cover working out your goals and priorities, how to focus your efforts on the things that really matter, planning your work, reading and writing more efficiently, the importance of looking after your body and brain. This book gives you the advice I wish I had known when I was starting uni.

Essays as easy as T 1, 2, 3! Student Edition Bonnie Holzinger, 2008-08-03 This book uses a unique method created by the author to teach a very simple graphic organizer to students of any age. The main focus of this book is teaching the student to turn a prompt into a topic as well as pre-plan within a limited time frame. Students pre-plan using a structured consistent organizer. Once they master the technique, the student can write about any subject from a learned comfort level based on repetitive practice. The book allows students to copy the pages for personal practice. It includes unique peer edit pages that allow students and parents to analyze their essays with regard to organizational structure, vocabulary, and sentence structure. This book can also be downloaded at www.lulu.com to make it easier for students to make photocopies from the downloaded pages.

Essays as Easy as T 1, 2, 3! Home School Edition 2nd Edition Bonnie Holzinger, 2008-09-01 This is a step by step book that teaches your child how to write a good Narrative, Expository, and/or Persuasive essay. Most children write well, but when it comes to writing it in essay format, they lack the structure of the essay. This book teaches your child a simple method to use that will help them write a good essay every time. It is really as easy as T 1 2 3. Using the author-created organizational device, the kids stay focused on their topic and are able to elaborate on their main ideas using examples and details. This book was written by a teacher to help kids across America become better writers. This method works for any student in any state. There are even resources listed in the book so that parents can find what their individual state requires on their state's writing test. This method can be used with anyone at any age. If you are in technical school or college and have difficulty with organizational skills, then this book will help you.
