

The background of the entire cover is a dark, starry night sky filled with numerous small, yellow, star-like specks. On the left side, a quail is perched on a branch, facing right. The quail has a white face with a dark eye, a small red beak, and a patterned body with brown, tan, and grey feathers. The branch it sits on has several green leaves and two pears. One pear is in the lower right, and another is partially visible behind it. The overall style is that of a classic children's book illustration.

writers responded to republican egalitarian notions of liberty for the populace with radical support ambivalence or conservative opposition Ultimately the vital folkloric dimension of these plays and poems challenges the notion that canonical works by Shakespeare and his contemporaries belong only to high and not to low culture The Literary Devil's Dictionary ,
