Subject: Request for Permission for a Re-Examination in Mathematics

Dear Principal Woolf,

I hope this letter finds you well. My name is Dannie Hurst, a sophomore at Anytown High School, and I am writing to request your permission to retake the Mathematics examination that was held on January 20, 2024.

Unfortunately, I was unwell during the week of the examination, which significantly impacted my ability to prepare and perform as expected. Despite my best efforts to study while recovering, my condition hindered my concentration and retention, leading to a performance that does not accurately reflect my understanding of the subject matter.

I have always strived to maintain a high academic standard, and the grade I received does not represent my true capabilities. I believe a re-examination would allow me to demonstrate my knowledge and skills in Mathematics accurately.
