The organization posted this image created by Ireland/Davenport to the social media website Twitter. The image is a photograph of a woman in front of a gray background with bruises covering her face and body. As well as the bruises, she is wearing a white and gold dress from an internet meme that was also well-known at this time. According to this image, the key elements to composing an effective argument are the use of popular trends and pathos.

This image displays an internet meme that gained traction in February of 2015. The seemingly battered model is wearing "The Dress", which had the world debating over whether the optical illusion was black and blue or white and gold. The advertisement directly references
