The Impact of Editors on the Publication of Works of Fiction: A Historical Study

Introduction

"There are many examples of those whose own contributions to creative writing have been negligible but whose activities as critics, editors or reviewers have had a formative influence on the literature of a period."

Jefferson 1

While it is the author's name that appears on the front cover and they who receive the credit, praise and criticism for their books, they do not work alone. Since publishing developed into an industry during the nineteenth century (Feather 174), editors have played an important role (Feather 174) as "a shadowy figure behind the scenes" (Forrest, cited Jefferson 2), helping to shape manuscripts into the beloved books they become.

Most editors define their role as assisting the writer to produce the very best work possible in order to communicate their intent, and establish and make clear their own voice and craft (Berach et al. 28; Gross iv; Howard 72; Sharpe and Oatley viii; Zaid 132): "Good editors may be likened to those crystal-clear prisms which form a vital part of a pair of binoculars. They are not there to alter the view or change the scene, but to make it clearer and closer" (Fynn, cited J Mackenzie 1). The role is largely an invisible one to those outside the industry, so it is unsurprising that few have questioned the impact editors have on works of fiction.

Chapter 1: Background and Literature Review

1.1 SIGNIFICANCE

Prior to publication of *Harry Potter and the Philosopher's Stone*, author Joanne Rowling's publisher, Bloomsbury, advised the use of a pen name to appeal to a broader audience, the argument being that boys were less likely to read a book written by a female (Zaid 173), thus 'J.K. Rowling' was adopted. The *Harry Potter* series was also translated from British English to American English in preparation for release in the USA, a decision made by an editor at Scholastic, the American publisher of the series (Zaid 261). The series experienced unprecedented success (Czuchraewski; "Harry Potter author has deal for new novel - for adults", *Pinkette*), possibly due in part to these publishing and editorial decisions.

Examples such as this are the catalyst for this research. How much influence do editors and publishers have on the quality and subsequent financial or scholarly success of a fictional work? How much of an influence were these groups and individuals in the past?

1.2 LITERATURE REVIEW

There are few academic studies that explore the impact of the editor on the publication of works of fiction. Various texts discuss the role of the editor at present, but these are mainly 'how to' guides written by editors with the intent of educating others in the field (*Commonwealth of Australia*, J Mackenzie, Sharpe and Oatley). Sources that focus on the development of the role over time are also rare. The role is relatively easy to define: an editor assists in creating a publishable work with a heightened chance of success by guiding the author in establishing and conveying their own voice and message, and ensuring the content of the work supports its purpose and meets a suitable standard (Berach et al. 28; *Commonwealth of Australia* 20; Gross iv; J Mackenzie 172; Sharpe and Oatley viii; 1; Zaid 132). Determining the impact however, is more challenging.

Writing A Two Page Paper

Writing A Two Page Paper:

Best Practices in Writing Instruction, Second Edition Steve Graham, Charles A. MacArthur, Jill Fitzgerald, 2013-03-26 This book has been replaced by *Best Practices in Writing Instruction Third Edition* ISBN 978 1 4625 3796 9 Best Practices in Writing Instruction, Third Edition Steve Graham, Charles A. MacArthur, Michael A. Hebert, Michael Hebert, 2018-12-27 Well established as a definitive text and now revised and updated with eight new chapters this book translates cutting edge research into effective guidelines for teaching writing in grades K 12 Illustrated with vivid classroom examples the book identifies the components of a complete high quality writing program Leading experts provide strategies for teaching narrative and argumentative writing using digital tools helping students improve specific skills from handwriting and spelling to sentence construction teaching evaluation and revision connecting reading and writing instruction teaching vulnerable populations using assessment to inform instruction and more New to This Edition Chapters on new topics setting up the writing classroom and writing from informational source material New chapters on core topics narrative writing handwriting and spelling planning assessment special needs learners and English learners Increased attention to reading writing connections and using digital tools Incorporates the latest research and instructional procedures See also *Handbook of Writing Research Second Edition* edited by Charles A MacArthur Steve Graham and Jill Fitzgerald which provides a comprehensive overview of writing research that informs good practice *Writing an A+ Research Paper: A Roadmap for Beginning and Experienced Writers*, 2008 *Technical Writing* Phillip A. Laplante, 2018-07-27 *Technical Writing A Practical Guide for Engineers Scientists and Nontechnical Professionals Second Edition* enables readers to write edit and publish materials of a technical nature including books articles reports and electronic media Written by a renowned engineer and widely published technical author this guide complements traditional writer s reference manuals on technical writing through presentation of first hand examples that help readers understand practical considerations in writing and producing technical content These examples illustrate how a publication originates as well as various challenges and solutions The second edition contains new material in every chapter including new topics additional examples insights tips and tricks new vignettes and more exercises Appendices have been added for writing checklists and writing samples The references and glossary have been updated and expanded In addition a focus on writing for the nontechnical persons working in the technology world and the nonnative English speaker has been incorporated Written in an informal conversational style unlike traditional college writing texts the book also contains many interesting vignettes and personal stories to add interest to otherwise stodgy lessons Writing Under Pressure Sanford Kaye, 1990-12-13 Most writing is done under pressure An executive has to produce a three page position paper by tomorrow at nine A department head suddenly has to write a one page action memo by noon A graduate student has a twenty page research paper due in a week Yet while most students and professionals write under pressure with limited time limited space and a supervisor or instructor to please few approach the

task systematically In *Writing Under Pressure* Sanford Kaye a renowned expert on the subject presents a system he calls the Quick Writing Process QWP that focuses on real world writing tasks and demonstrates how to produce the clearest most honest most powerful work possible under the constraints of time and space A writing instructor with twenty five years experience teaching students and professionals in business and government Kaye tells writers how to budget their time and how to use this time efficiently Exploring particular writing situations in which QWP can be applied to make the most of what the writer knows Kaye discusses the process of taking exams focusing on how instructors select questions and evaluate essays He also considers writing in business and government featuring an insightful analysis of a memo written by Colonel Oliver North This memo highlights one of the most important issues writers in business and government face whether to write the truth as they see it or simply what their bosses want to hear Presenting a wealth of such examples Kaye reveals how to break through stifling organizational codes in order to write memos and position papers that count While most guides to writing ignore the constraints of time and space *Writing Under Pressure* tackles these problems head on making it an essential reference for students business professionals government officials or anyone else faced with a difficult writing assignment that has to be done now *Resources in Education* ,1994

Teaching in Nursing and Role of the Educator, Second Edition Marilyn H. Oermann,Jennie C.
