

Internal Audit – Annual Audit Report 2014/15

Report by Executive Director of Corporate Services & Resources and Head of Internal Audit

Executive Summary

This report provides a summary of Internal Audit activity for 2014/15. The Head of Internal Audit's overall opinion on the control environment concludes that the Council has a framework of control that provides a limited level of assurance regarding the economic, efficient and effective use of resources in achievement of its objectives.

Recommendation

The Committee is asked to consider the annual audit report for the year ended 31st March 2015 and to monitor the progress being made by services to implement high priority Internal Audit recommendations.

1. Introduction

- 1.1 This report sets out the individual and collective outcomes of the audit reviews undertaken in the year ended 31st March 2015. It also provides an audit opinion of the control environment based on this audit work.

2 Audit Opinion

- 2.1 Internal Audit is an assurance function whose primary purpose is to provide an independent and objective opinion to the organisation on the control environment comprising risk management, control and governance, in support of the objectives of the Council.
- 2.2 The annual audit plan is prepared to take into account key areas of risk and was approved by the Regulation, Audit & Accounts Committee (RAAC). The internal audit plan has been delivered in accordance with the Public Sector Internal Audit Standards (PSIAS).
- 2.3 The level of assurance provided by Internal Audit is based upon:
- All audit reviews undertaken during 2014/15.
 - Follow up of actions against key audit recommendations made in 2013/14.
 - Management responses to findings and recommendations.
 - Effects of significant changes to the Council's systems.
 - The extent of resources available to deliver the audit plan.
- 2.4 With the exception of project support work, all audit reports include an assurance rating on the basis of the definitions shown in Appendix C. Individual assurance ratings help to determine the overall audit opinion. Completed reviews that received a less than satisfactory assurance rating are summarised in section 4 of this report.
