

MY VACATION

Summer vacations are the best time to have fun. Every year, I and my family go on the holidays. We usually go to the beaches and amusement parks to spend the day. But, last time we went to Bali Island. It was wonderful! We stayed in a hotel which is located near the beach. So, we went to the beach at first where we surfed and swam in the sea. And, we went fishing and sailing on the boat. Then, we went to my grandparent's home and had a horse race there in their meadow. We then climb up a hill which was steep. We also went to water park where we splash with joy. It was the best vacation ever I went. We had a great time and hope to go back next year.

Mentor Texts Lynne R. Dorfman, Rose Cappelli, 2017. It's been a decade since Lynne Dorfman and Rose Cappelli wrote the first edition of *Mentor Texts* and helped teachers across the country make the most of high quality children's literature in their writing instruction. In the second edition of this important book, Lynne and Rose show teachers how to help students become confident accomplished writers by using literature as their foundation. The second edition includes brand new *Your Turn Lessons* built around the gradual release of responsibility model, offering suggestions for demonstrations and shared or guided writing. Reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies, literary devices, sentence structures, and words. Lynne and Rose offer new children's book titles in each chapter and in a carefully curated and annotated *Treasure Chest*. At the end of each chapter, a *Think About It*, *Talk About It*, *Write About It* section invites reflection and conversation with colleagues. The book is organized around the characteristics of good writing: focus, content, organization, style, and conventions. Rose and Lynne write in a friendly and conversational style, employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom. This practical resource demonstrates the power of learning to read like writers. **Summer Brain Quest: Between Grades 4 & 5** Workman Publishing, Bridget Heos, Claire Piddock, 2017-04-18.
