Ensuring All Learners Succeed

Our mission is simple: to help people make progress in their lives through learning.

This user guide will:

- show you how you can use the features of MyLabs to the benefit of all of your students
- identify which elements do not meet accessibility requirements
- provide instructions for equivalent alternatives for inaccessible elements when available

Where elements are in the process of development and/or testing for accessibility, anticipated dates for compliance are noted. These elements should not be included before their accessibility has been verified.

Elements are verified as accessible when they meet WCAG 2.0 AA standards and/or provide workarounds that were designed to meet the standards put forth by the office for civil rights.

eText

To use Pearson print media for low-vision or blind students, we provide PDFs of the textbook or eText, student solutions manuals, graphing calculator manuals, and other ancillaries, that can be used with screen readers or Braille displays. You may also convert these files into other formats, such as printed Braille books. These materials can be requested by the campus Disabilities Services Office using the Pearson accessibility request form: <https://order.superlibrary.com/Comergernt/en/US/adirect/pearson?cmd=DisabilityRequestForm>

An accessible version of the eText available for the 12th edition.
