The Animal Assignment

A chorus of groans erupted from Mr. Trevino's class. It was late Friday afternoon and his students were looking forward to the long weekend. No one wanted homework!

"Hold on," Mr. Trevino said. He raised his hands in front of him to silence the rush of complaints from his students. "I promise to make this one fun. Your assignment will be to write about an animal you want to be."

"Can it be any animal?" Jayden asked.

"You can pick any animal you like, but you need to do some research. I want you to think about this," Mr. Trevino said. "Part of your assignment will be to explain the reasons for your choice."

Students were still comparing animals when the school bell rang. Landon thought he wanted to be a bear. Kiera said she wanted to be a unicorn, and everyone laughed.

"You have to pick a real animal," Landon said, and rolled his eyes.

Jayden thought about picking a fox. He thought foxes looked cool. He also liked the way they pounced on their prey in nature films.
