Cooking and Screaming Adrienne Kane,2009-02-10 An inspiring recipe filled memoir about loss recovery and finding oneself through food and cooking I rose from my wheelchair slowly using the arms of the seat to steady myself I managed to lift my weighty limbs and limp the three steps to the counter Stirring left handed I did not want to leave the warmth of the kitchen I felt good And for a moment I forgot about the life that I was living Being in the kitchen the sights and smells the smear of crimson tomato sauce on my borrowed apron felt like a bit of home a place that felt so far away Adrienne Kane always loved food Waiting by the oven for the sweet crisp cookies she baked with her mother

to emerge Learning to create a simple yet delicious frittata with her best friend Fueling long hours of work on her senior thesis with a satisfying tagliatelle But just two weeks before her college graduation Adrienne suffered a hemorrhagic stroke that left her paralyzed on the entire right side of her body Once a dancer and aspiring teacher she was now dependent on her loved ones embarrassed by her disability and facing an identity crisis The next several years were a blur of doctors therapists rehabilitation and frustration Until she got back in the kitchen It started with a stir A stir and a taste A little more salt Maybe a side of crisp sautéed potatoes She learned to wield a chef's knife with her left hand and to brace vegetables with her right As she slowly stumbled from her quiet resting place at the kitchen table to where her mother stood by the stove food became not only her sustenance and her solace it became Adrienne's calling She tested new recipes and created her own crafting beautiful delectable feasts for the people who had nurtured her her mother and father who himself had survived a stroke several years earlier the friends who encouraged her to write a cookbook and of course the boyfriend turned husband who stood beside her all the way Eventually through determination hard work and a healthy portion of courage she turned her culinary love into a career as a caterer food writer photographer and recipe developer Filled with simple tempting recipes and complex hard won lessons Cooking and Screaming is Adrienne's moving and heartfelt story of food loss work and joy and finding her identity through the most unlikely combination of ingredients The Cookie Party Cookbook Robin L.
